26 Injured In 29 Area Mishaps, 6 In 1 Crash

Multiple Injuries
In 6 Traffic Accidents
Boost Weekend Toll

Multiple injuries in a series of traffic accidents boosted the Quad-City weekend injury toll to 26 persons, including six persons who were injured in a single mishap. A total of 29 accidents was reported locally, three persons were injured in each of four separate accidents.

Six persons were injured about 3 a.m. Sunday when an auto driven by Carol Buser, 24, 1212 Edwardsville road, crashed into the rear of an auto driven by Everett Tedford, 41, of East Alton. Both autos were headed north when the crash occurred on State street at Eighth street in Madison.

Neither driver was hurt, but three passengers in each car suffered injuries. In the Buser car, those injured were Russell Tilton, 26, of Rural Route One, left hand; Mary Kay Hahn, 22, of 1923 Grand avenue, left knee; and Dorothy Mores, 63, of 1712 Grand avenue, head and knees. Passengers in the Tedford auto who were hurt were Shirley Tedford, 31, of East Alton, head injuries; Mabel Miller, 46, of East Alton, neck injuries, and Gale Crawford, 31, of East Alton, neck injuries.

Highway Crash Injures 3
A crash at Route 3 and Chain of Rocks road about 10 p.m. Saturday resulted in injuries to three persons, two of whom were knocked out of their auto.

Hospitalized here were Mrs. Florence Sundquist, 63, a house-mother at the Maryville Children's Home, who was thrown from an auto at 10 p.m. Saturday; daughter, Mrs. Virginia Collins, 32, of 2424 Hemlock avenue, who also was knocked out of the right side of the auto by the impact.

Mrs. Collins, who suffered leg and arm abrasions, said she was going south on Route 3 and making a left turn when she was struck by a northbound car driven by Mrs. Wanda Ruyle, 20, of Alton. Mrs. Ruyle suffered abrasions to her left leg and arm. Mrs. Sundquist is being treated for cuts to her head and legs and abrasions to both knees and legs.

3-Car Crash 3 Hurt
Minor injuries were suffered by three persons about 12:30 a.m. Sunday in a three-car crash at Nameoki and Johnson roads. One motorist, Donald Maraball, 29, of 3901 Kirkpatrick Homes, who was hurt, was charged with failure to yield right-of-way with a control present.

Police said Maraball was going east on Johnson road and pulled in front of an auto driven by Edward McKeel, 18, of 2254 Washington avenue, who was traveling south. The Maraball auto then slid into the right front of the auto of Bernard Royce Jr., 38, of 2471 Waterman avenue, who was headed west on Johnson road and was stopped.

Royce also was injured as was (Continued on Page 12, Col. 1.)

Newlyweds' Gifts Stolen; \$700 Cash Taken from Home

Victims of thieves and burglars is a newly-married couple, a Madison resident who lost \$700, a man who was strong-armed by a burglar, a taxi shop operator and a restaurant owner as 17 cases were reported to Quad-City police.

A newlywed couple who had just completed furnishing a home with new household items and their wedding gifts found many of their belongings had been taken when they moved into the house yesterday.

The groom, Joseph Ousley, said burglars broke into the house at 1928 Edwardsville road, by going through the garage and prying open the door. The house was a 25-inch colored TV set, bed sheets, pillowcases, bed spreads, an electric broiler and an alarm clock. All of the items were new.

\$700 Cash Taken from Home
A burglar broke into the home of Mrs. Kera Nenoff, 1420 Eighth street, Madison, and took \$700 in cash, a wrist watch and a silver coffee pot. Mrs. Nenoff told Madison police she left her home about 1:30 p.m. Friday and returned at 10 p.m. to find the house thoroughly ransacked.

Entry was gained by breaking the glass out of a side door. She said \$600 in \$20 bills was taken from a closet and another \$100 in \$20 and \$10 bills from a dresser drawer.

Burglars stole money, vegetable oil, a silver watch, a pin ball machine, \$1.50 in pennies from a drawer behind the counter, a half case of tomatoes, a half case of lettuce and 24 forks and knives.

Reports Strongarming
Lulu Howard, Rural Route One, reported at 7 p.m. Thursday that he was robbed of his wallet containing a n undetermined amount of money and papers by two men who strongarmed him as he was leaving the tavern at 20th street and Park avenue.

Howard said he noticed the dome light on in his auto and he spotted someone inside. The man kicked him and knocked him down, and another man came along to join in the kicking, he reported. The wallet was taken from his trouser pocket.

A car that he left at a garage two months ago to be repaired was found stripped Saturday by Charles Chandler, Rural Route One. He told Madison police the car was stripped of its engine and other parts.

Spring Weather Welcome After Week-Long Freeze

After a deep freeze earlier last week, Quad-Cityans rose to the weather change over the weekend. The prospects are good for more spring-like weather this week.

Temperatures went into record-breaking 60s and 70s on Saturday and Sunday, and ice skate enthusiasts put away their skates to take up ball games, golf clubs

and car-washing sponges and rags.

Yesterday's strong winds also brought out numerous kite flyers, and while there were heavy clouds of dust in the outlying countryside, it definitely was "top down" convertible weather.

The pros at Arlington, the Army Depot and Sunset Hills Country Club golf courses reported record-breaking crowds for a time in January weekend. Motorists were out in droves, and traffic was heavy through out the area. Accident figures soared as moisture-laden air, heavy fog and wet pavements during the night and morning hours.

**Herby Sherley, 89,
Spanish War Vet,
Dies of Pneumonia**

Herby Sherley sr., 89, of 2407 Madison avenue, a veteran of the Spanish-American War, died of pneumonia at 7 a.m. yesterday at Cochran Veterans Hospital, St. Louis. He had been in failing health for the past 12 months and was admitted to the hospital Friday.

A local resident for 59 years, Mr. Sherley was born in the vicinity of Frisco, Tex. In the Spanish-American War, he served in the 10th Cavalry, U.S. Army.

After his retirement, Mr. Sherley was employed as a street car motorman on the Alton-St. Louis line and earlier had worked for General Steel Industries. At one time he was a member of local veterans' organizations.

Survivors are his wife, Mrs. Maude Sherley; two daughters, Miss Lorena Sherley of Granite City and Mrs. Naomi Hamilton of San Diego, Calif.; three sons, Charles and Herby Sherley Jr. of Granite City, and Thomas Sherley of East Alton; three sisters, Mrs. Violet Hagle, both of Mount Vernon, Ill.; and Mrs. Shirley of Los Angeles, Calif.; two grandchildren, Miss Barbara Sherley of Granite City and Mrs. Shirley James of Walnut, Cal.; and one great-grandson, Dan James, of Walnut.

Funeral arrangements are given in today's obituary column.

**32 Windows Broken
At Animal Shelter**

Rock and brick hurling vandals smashed 32 windows at the city's animal shelter building on Route 3, it was reported to police Saturday morning by Donald Krause, humane officer.

The vandals broke 29 panes on the west side of the building and three in an overhead door. No one was found inside the furnace room.

School Door Broken

A door glass was broken at Emerson school by vandals during a recent week. It was reported at 4:50 p.m. Sunday. Nothing in the building was disturbed.

The area commission members several months ago asked the state group to settle the issue as to how many acres should be added to the present five-acre Lewis & Clark park. Graves, however, referred the matter back to local members with the suggestion that the matter be determined by area representatives.

A suggested expansion of the park on a scale large enough to take in Mississippi River front land needed for the planned harbor facilities at the north end of the Chain of Rocks Canal was as a whole.

County Auditor John Kravynak said Friday at Edwardsville.

He pointed to five distinct salaries, two of which involve Harold Landolt of Alhambra, chairman of the county board of supervisors. Landolt and others may be receiving increased compensation without legal authority, although granted by the county board.

Kravynak said he is basing his questions on legal opinions handed down by Illinois Atty. Gen. Carl Denning in cases of compensation to certain county officials. He said the county board is pointing for the duration of their current term.

In four of the cases, the county auditor is seeking the legal advice of Leon Scroggins of Granite City, new state's attorney, and the county board's Finance committee are to meet tomorrow.

Double Payments
Kravynak told the Press-Record Friday afternoon that Landolt, serving as county liquor control commissioner, has been receiving a per diem of \$15 for attending 114 or 115 commission meetings while he has been receiving an annual salary of \$1000 for serving as the commissioner. This has been an accepted practice in the past, he said.

Landolt has received the extra compensation for 53 meetings for June through January through May from 1965 through 1966, the auditor noted.

He said the opinion of the attorney general, however, may be contrary to state statutes, and the overpayment amounts to \$765, Kravynak expects to be refunded to the county.

Board of Review
Landolt also serves as head of the county board of review which is active through the months of June through December, and as he receives an extra per diem of \$25 for that position, he had received a per diem of \$15 for sessions during that period.

Also under question is a \$5 per diem increase allotted the county board of review by the county board of supervisors. The increase was given while the review board members were during the next appointive terms.

Kravynak said that John Lauder of Alton, a candidate of review, may have been paid \$5 too much for 169 meetings and may have to refund \$845. Frank Rissi of Col. 1, 15th St. and Kravynak, may have been paid too much for 178 meetings.

Two days too late

The same legal opinion from the state may involve members of the county board of supervisors who were elected on April 6, 1965, and may require recovery of about \$16,000 by the county, Kravynak stated.

He pointed out that the 25 board members had terms beginning officially on April 26, 1965, but that a per diem was paid them from April 6 to April 25, 1965, for the period of time approved until the April 26 session.

**Two More Files in City
Aldermanic Election**

Two more candidates have entered the city election race in Granite City with filing of petitions for aldermanic posts.

Samuel Whitmer, incumbent Second Ward alderman, filed for re-election, and R. Grad Krause, 3115 Colgate avenue, filed as a candidate.

Four others have filed for the three assistant supervisor posts on this year.

County's New Valuation
Increased \$30,888,000,
Now \$874,203,795.

Real estate and personal property in the four townships of the Quad-City area have been assessed by the Madison county board of review \$278,635,005 for the 1966 tax year, it was learned by the Press-Record today.

The total Quad-City assessment is \$9,745,300 more than valuations totaling \$267,207,325, and is an increase of \$15,578,190 over the 1964 valuation which amounted to \$261,376,445.

The total Madison county as a whole, the total board of review assessment amounts to \$874,203,795, an increase of \$30,888,470 above the assessment of \$843,315,325.

The assessments set by the board of review are for personal property, real estate and some railroad property subject to local assessment. The figures do not include operating railroad property, which is certified to the clerk by the Illinois Department of Revenue and added to the local assessment figures.

Comparison with 1964
County assessment records show that the new total assessment as established by the board of review for the 1966 year, on which tax bills will be based for collection this year, is \$15,580,390 higher than the 1964 countywide valuation of \$822,625,395.

The board of review, in determining the final assessment figure for each of the county's 24 townships, raised the assessments certified by the township assessors of 13 townships and decreased the town assessors' figures in only six. A township balance of \$2,074,740, and up \$3,740,180 over the 1964 assessment of \$2,851,840.

Nameoki township, \$30,292,650, increased \$2,217,910 over the 1965 figure of \$28,074,740, and up \$3,740,180 over the 1964 assessment of \$24,333,560.

Feb. 2 Hearings For 3 Arrested In Venice Fracas

Three defendants arrested in a Venice disturbance resulting in a fatal shooting last week were freed on notices to appear when arraigned Thursday afternoon before Magistrate Matosian in Granite City on a total of ten charges. Hearings are to be held Feb. 2.

Bonds of \$6000 were set for each of the three men—Eugene Cox, 24, father of three small children who burned to death in a Kerr Island fire a few hours before the shooting; Roy Lee Cox, 18, brother of Eugene, and Gerald Armstrong, 18, all of Venice. They were allowed to sign recognition papers, however, and were released.

Allen Cox, 28, of 508 Slough road, brother of Eugene and Roy Lee Cox, was freed Saturday at 6:45 p.m. last Wednesday following an altercation with police at a tavern. Allen and Eugene attacked Venice Patrolman Jot Crook while he was driving them to the police station. Crook fired one shot during the melee, the bullet striking Allen Cox in the abdomen on the right side. Cox died a few hours later in St. Elizabeth Hospital.

Eugene, Roy Lee and Armstrong were named on 22 charges filed by police officers who said the men had interfered with officers trying to arrest Eugene and Allen for fighting in the tavern.

Eugene was arraigned Thursday on four charges, fighting, aggravated assault, mob action and resisting an officer. Roy Lee Cox and Armstrong were each arraigned on charges of aggravated assault, mob action and resisting an officer. Four other charges against each of them were dismissed.

Deputy Coroner Robert Thomas said today requests have not yet been scheduled in the Allen Cox shooting, nor in the fatal fire.

Three small children, Lisa, two, Eugene, 11 months old, died in the fire that destroyed the Cox home at 515 Slough road. A stove explosion started the blaze that engulfed the four-room frame home in a matter of minutes.

Both of the parents, Eugene Cox and his wife, Josephine, were away from home when the fire occurred. Cox was at work at a local bank, and the mother had gone to a bank. Joint funeral services for all four victims of the fire and shooting were held Saturday at the New Salem Baptist Church, and burial was held Sunday morning in the Booker Washington cemetery.

Venice police said Saturday they also had arrested Julius Johnson, 26, of 507 Slough road, a relative of the Cox family, on a charge of resisting or obstructing a police officer. Johnson, who was at the tavern at the time of the fight and who reportedly interfered with police in their attempt to arrest the Cox brothers, was released on a notice to appear at the Feb. 2 hearings set for the other three men.

5 YMCAs of 2-County Area Form New Organization

An organization of executives of five YMCAs in Madison and St. Clair counties was formed Thursday evening in a meeting at the local YMCA. The new association is designed for promotion of common interests and for an inter-change of ideas.

The group, known as Association of Metro-East YMCAs, includes Granite City, Alton, Edwardsville, Belleville and East St. Louis, is hopeful of acquiring land on which a camp can be established to serve residents of the two-county area.

Other goals are to further the spiritual, educational, social and physical educations and growth of young men and women and boys and girls of the communities served. Officers elected at Thursday's meeting here are—Clifford Sturgeon of Belleville, president; William Hoelscher of Granite City, vice-president; Wendell Durr of Edwardsville, treasurer; and Richard Harrison of Belleville, secretary. Informal meetings were held last year to explore the need for the organization.

New Feed Grain Base To Be Established

A new farm feed grain base may be established under the 1967 feed grain program for farms which did not plant feed grains in 1959 or 1960 that meet eligibility requirements, M. Lee Rogers manager of the county Agricultural Stabilization and Conservation Service said today.

To be eligible for a new farm feed grain base, Rogers said the operator must expect to receive 50% or more of his livelihood in the current year from the production of agricultural commodities on the farm; must have had at least two years' experience in the production of feed grains in the last five years; must have adequate equipment for the production of feed grains; the land must be suitable for the production of feed grains; and neither the owner nor the operator may have an interest in any other farm which a feed grain base has been established.

Interested producers who can meet these requirements may contact the county ASCS office before March 1 and file an application.

Producers on new feed grain base farms cannot earn 1967 feed grain diversion payments, but may qualify for price support payments and price support loans or purchases. To do this, producers must sign up in the feed grain program, divert the required minimum acreage, and comply with all other program provisions.

Boyd is Sr. Chief of Fire Control on Frigate

Senior Chief Fire Control Technician Gerald G. Boyd, USN, son of Mr. Tom Boyd of 718 Twenty-sixth place, is serving as a crew member aboard the guided missile frigate USS Richmond (C-12), Turner, on station with the U. S. Seventh Fleet off the coast of Vietnam.

While enroute to join the Seventh Fleet, she stopped for two days in Pearl Harbor, Hawaii, and six days in Yokosuka, Japan. The crew donated many points of blood for troops in Vietnam, while in Yokosuka. The Turner is the fifth ship in the guided missile frigate class. She is equipped to escort and protect the high speed aircraft carrier attack force.

Madison Youth Beaten, By Unknown Assailant

James Kostoff, 18, of 1223 Iowa street, Madison, was taken to St. Elizabeth Hospital about 1:45 a.m. today, suffering cuts and abrasions about the face received in a beating by an unidentified assailant.

Kostoff told police at the hospital emergency room that he was walking home from the show when he was attacked in the alley between Madison avenue and Iowa street on 13th street. Kostoff suffered cuts above and below his right eye and a deep, four-inch gash in the forehead. Police said he could give them no reason for the beating.

Two Bitten by Dogs

Two victims of dog bites were reported to Venice police Sunday. Officers said Dorothy Chiller, 21, of 165 Violet street, was bitten on the left leg by a dog owned by Hazel DeW, 1014 Calhoun street. Kenneth Boyd, 14, of 539 Salvo street, was bitten by a dog owned by Henry Leonard, 641 Mercedita street. Owners of both dogs were notified to have the animals placed under observation.

Mrs. Sylvia Grimes, 37, Dies of Cancer

Mrs. Sylvia Pauline Grimes, 37, of 502 Bend road, a lifelong resident of the Madison area, died of cancer at 7:15 p.m. Saturday at St. Elizabeth Hospital. She had been ill for one year and a patient at the hospital for a month.

Mrs. Grimes was born in Madison and lived in the Bend road area for 12 years. She was a member of Tri-City Park Tabernacle. Survivors include her husband, Robert; two daughters, Virginia Ann and Debra Lee Grimes, both at home; her parents, Mr. and Mrs. Charles Dupuch of Madison; a brother, Charles Dupuch Jr. of St. Louis, and a sister, Mrs. Frank (Violet) Mudrovcic of East St. Louis.

Funeral services will be held at Ripley, Tenn. Further information is given in today's obituary column.

MORE ABOUT

Tax Assessments

Increase of \$30,835 over the 1965 assessment of \$63,335, and an increase of \$561,580 over the 1964 valuation of \$63,335,710.

The increases in the local assessments made by town assessors in 18 of the county's 24 townships followed recent announcements by board of review officials that town assessors' certifications which were believed too low to permit retention of a multiplier of 1.1 by the state revenue department would be raised to meet township assessment ratios. State officials had warned county tax and assessment officials that many townships were assessing below the state standard of a 90% ratio of full, fair cash value.

In determining valuations for each township, the board of review raised the valuation for Granite City township from \$159,272, 685 as certified by the town assessor, to the review board's figure of \$169,333,655. This was a board of review increase of \$807,970. The review board has the authority to make adjustments in assessments set by the town assessor.

Venice is the only township in the Quad-City area whose valuation fixed by the town assessor was decreased by the review board. The town assessor fixed a figure of \$63,855,490, but the review board cut this \$48,200 to a new total of \$63,807,290.

For Nameoki township the local assessor fixed the total valuation for 1966 at \$28,865,380. The review board increased it by \$426,570 to \$29,291,950.

The assessment of Chouteau township was fixed at \$29,394,690 by the town assessor, but was raised \$182,100 by the board of review to \$29,576,790. Largest assessment of any township is listed for Wood River set at \$214,391,235, because of the extensive petroleum refinery installations there. Granite City is second largest and Alton is third with a new 1966 assessment of \$124,869,289 compared to a 1965 figure of \$121,778,755.

Smallest township assessment in the county was fixed for New Douglas township—a total of \$2,037,535.

Increased assessments will be in most instances, increased tax bills. This is not necessarily true when tax rates are not at their maximums and therefore can fluctuate with the assessment. A big majority of taxing districts, however, have been levying maximum tax rates that did not raise the full amount of levies extended a gainst the assessments. Therefore, the maximum rates will continue to apply against higher valuations and produce more revenue for the taxing districts.

The county-wide increase of \$30,835,470 over the 1965 assessments results from increases in valuation of all categories of property subject to assessment by the county.

The new board of review assessments include totals of:

Personal property, \$256,855,820 compared to \$246,153,070 in 1965; lands, \$217,801,820 compared to \$214,069,520 for 1965; lots, \$388,765,480, compared to \$382,300,720 for 1965; and railroad property (locally assessed only) \$786,679, compared to \$762,015 for 1965.

Two Charges Filed

Eugene Wright, 33, of 2500 Lincoln avenue, was arrested at 18th Broadway, Venice, Saturday evening on charges of battery and peace disturbance. His wife, Mrs. Shirley Wright, told police he had forced open an upstairs door on a fire escape and entered her apartment and beat her. He was taken into custody on the fire escape.

Venice Council

Okays Contract On City Planning

A contract between the city of Venice and the Southwest Illinois Metropolitan Area Planning Commission for an overall urban plan and development of zoning regulations was approved by the Venice city council Friday night. Payment of \$2395 as the Venice share of the planning project also was approved.

Council members approved a resolution authorizing Mayor Lee to sign the contract after receiving official notice of a \$25,951 federal grant to finance a joint Venice and Madison planning program. Madison authorized its contract and payment of \$4201, the cost two weeks ago.

Under the joint Venice-Madison program SWMAPC will conduct the surveying and planning for land subdivision zoning regulations and plan a course of future development for the two cities in the establishment of a comprehensive plan. Such a plan is necessary in securing future financial grants for any type of projects.

Mayor Lee also informed the council of developments of a meeting between city officials, state highway department engineers and Illinois Commerce Commission representatives at Springfield nearly two weeks ago concerning progress on the Broadway underpass project.

Meet With Railroads

Since then, the mayor said, highway department officials and ICC engineers have met with the Norfolk & Western Railroad company and the Chicago & North Western Railroad company on the underpass, and are to meet soon with representatives of the GMA&O and New York Central Railroad. The Norfolk & Western and GMA&O are seeking plan changes which will widen the structure. The New York Central is planning changes in drainage arrangements.

Mayor Lee told the council that delay preparation of state highway department plans has caused a ten-month delay in the underpass project. The city of Venice, he said, told state representatives it will demand a reassignment of costs of the underpass project. Costs are to be shared by the city of Venice, the railroads and the state.

Originally the underpass cost was estimated at \$1,250,000 but this has increased substantially through raises in normal labor and material cost during the period the project has been delayed.

City Atty. Harry Hartman reported that he had conferred with the Madison County Housing authority and was informed that applications are being completed in an attempt to obtain financing for housing units to accommodate families that will be displaced by purchase of right-of-way through the Kerr Island area for construction of Federal Aid Route 151. Costs have not yet been computed and further data must be obtained on the number of Kerr Island families that would occupy the proposed new units.

Bills Are Approved

The council approved payment of a \$1651 bill for the Sheppard, Morgan & Schwab engineering firm for designing and planning work on the new \$50,000 boat ramp and picnic area being built on the riverfront. While the city will approve all bills on the project, the full cost is being provided by the Illinois State Department of Conservation. The city council will approve construction bills as the project progresses and the bills sent to the state for payment.

Former Resident Killed

In West Coast Accident

Funeral services were conducted Thursday in Ripon, Calif., for Charles Pannell of that city, a Nestle Co. plant engineer, who formerly was a resident here. While here, he was a member of the Second Baptist Church.

Local acquaintances learned last week that Mr. Pannell was struck and killed by an automobile Sunday, Jan. 15, while he and another motorist were inspecting damage to their vehicles, following a minor collision. The accident occurred near San Francisco, Calif., during foggy weather.

Surviving are his wife, Mrs. Marjorie Pannell, two children, Charles Jr. and Mary Valerie Pannell, both at home; and his parents of Richmond, Va.

April 1 Proposed as Date For Junior College Vote

An April 1 date for a referendum on a proposal to establish the Lewis & Clark Junior College District has been recommended to Madison county school superintendent Wilbur R. L. Trimpe by the district steering committee.

The committee said it felt the April 1 referendum, instead of one on April 29, would eliminate any question of the vote being taken within the prescribed 90-day period following an order for the election by the Illinois Junior College Board. The date is up to Trimpe, however, because he is superintendent of the most populous county in the proposed district.

Mail Deadline for State Plates is Wednesday

Secretary of State Paul Powell today advised motorists applying for their 1967 motor vehicle license plates by mail to do so by Wednesday.

"Information coming to us indicates that delivery of plates from the time we mail them until they reach their destinations is taking about two weeks," Powell said, adding that four or five days are required for processing applications during the rush period.

He urged motorists who have not yet applied to mail their applications immediately and avoid the possibility of arrest for not having them on their vehicles by midnight Feb. 15.

Mrs. Bernice Baron, 42, Dies Unexpectedly

Mrs. Bernice Baron, 42, of 1634 Sycamore avenue, was dead upon arrival at 6 a.m. Sunday at St. Elizabeth Hospital. She was taken to the hospital from her home.

Mrs. Baron had been under a physician's care. An inquiry is to be conducted. She was a native of Chicago and lived here 13 years. She was a member of the Jehovah's Witnesses.

Survivors are her husband, Chester, an electrician for E. Dron Electrical Co.; a daughter, Janice, and two sons, Claude and James, all at home; two brothers, John and Alex Paskauskas, both of Chicago, and a sister, Mrs. Ann McVey of Chicago. Funeral arrangements are given in today's obituary column.

Miss Gloria Jean Reese Is Bride of Bryan Waggoner

Miss Gloria Jean Reese and Bryan L. Waggoner, III, U.S. Navy, exchanged wedding vows in an evening ceremony taking place Saturday at Graceland General Baptist Church. The Rev. Avery Morris officiated at 6 o'clock.

The bride is a daughter of Mr. and Mrs. James M. Reese, 2838 Dogwood drive.

She wore a gown of lace scalloped at the top and trimmed with sequins and pearls. The bodice had long sleeves and the skirt ended in a long flowing train. A crown of pearls and sequins held in place a shoulder-length veil and the bride carried

a bouquet of white carnations. She was attended by her sister, Miss Brenda Reese, in a gown with a loden green velvet bodice and a slim cream skirt of crepe. The gown featured an off-shoulder neckline and long sleeves and she held a bouquet of yellow carnations.

Gary Glesner was Mr. Waggoner's only attendant.

The newlyweds will live in Rhode Island where the bridegroom, an aviation storekeeper

second class in the Navy, is stationed. Mr. Waggoner, a former Granite Cityan, and his bride are both graduates of the Granite City high school.

Junior Service Federation Meets

The Granite City Junior Service Federation met Sunday at a Venice Service Federation Luncheon Saturday at the Army Depot officers' club. A board meeting preceded the one o'clock luncheon.

Federation officers seated at the head table were Mrs. Henriette Pinter, Collinsville, president; Mrs. Peggy Heifer, St. Louis, first vice-president; Mrs. Bernice Fitzpatrick, Granite City, second vice-president; Mrs. Julia Volok, Madison, third vice-president; Mrs. Rosann Frank, Edwardsville, recording secretary; Mrs. Dorothy Schreppe, Collinsville, corresponding secretary; and Mrs. Ruth Voegel, Venice, treasurer.

The table was adorned with floral centerpieces which were used as prizes.

A letter of thanks was read from Alton State Hospital for a sewing machine and furniture provided from proceeds of the last federation project.

Each year a common project is held, with each service club taking part, and this year's project was the collection of clothing for the poor. The collection will be held April 22. Steak dinners will be served prior to the dance. The funds will again go to the Children's Division of Alton State Hospital.

The president of each club reported on charity work done by the clubs since the September meeting.

Shower Honors Miss Brookus

A miscellaneous shower was given Saturday for Miss Susanne Kay Brookus by Mrs. Anthony Rusick, Mrs. William Hillmer and Mrs. Kenneth Hillmer at the Rusick home.

Miss Brookus, a daughter of Mr. and Mrs. William Brookus of Edwardsville, formerly of this city, will be married Feb. 11 at First Presbyterian Church here to Richard Riddle.

A bridal theme was used and there were games with prizes. Present were Mrs. Ray Lux and daughter, Mary Jo, Mrs. William Scelrin, Mrs. Robert Lombardi, Mrs. Lional Portell and daughter, Debbie, Mrs. Esther Riddle, mother of the prospective bridegroom, Mrs. Brookus, the bride-elect's mother, and the honoree.

DAR Meets at Johnson Home

Mr. and Mrs. Harry Johnson of Madison, entertained Dr. J. Andrews Chapter, Daughters of the American Revolution, at a dinner party in their home last night.

The hostess, regent of the chapter, conducted a business discussion and showed films and gave a talk on a recent Asiatic tour.

The message of the DAR president general was read by Mrs. Glenn Whyers, and Miss Ella Ray Smith gave a history of the DAR insignia. Mrs. R. E. Chapman presented a civil defense report.

Present were Mr. and Mrs. Frank Molque, Belleville, Mr. and Mrs. Harold Bloomquist, Collinsville, Mr. and Mrs. Ralph Frohardt, Mr. and Mrs. Glenn Whyers, Mrs. Marion Connolly, Miss Nelle Carr, Miss Helen Korb, Miss Anna Wilcox, Miss Morene Groshing, Mrs. Eva Meier, Mrs. Chapman and Mrs. John Tate.

Parents Meet At St. Joseph

Sister Mary Lawrence spoke on "How the U. S. Elementary and Secondary Education Act is Helping the Schools" at the January meeting of St. Joseph's Parents and Friends Association Thursday evening. All nuns from the school were in attendance.

Harold Mitchell and Al Wilson of the Granite City police presented the second half of the program, using a film on police activity which is being provided for the community.

Rev. Phillip Kraft offered prayer and conducted a continuing discussion among the members on the "Declaration of Christian Education."

President Bud Reisinger presided, and Mrs. Theresa Patricia and Mrs. Bertha Wasylak submitted reports. Notes of thanks were received from the members given for children of the school and on holiday gifts for the members.

Refreshments were served by Mrs. Myrna Geisler, Mrs. Virginia Beasley and Mrs. Hull. Mrs. Beasley's room was awarded a prize for largest attendance. The next meeting is set for Feb. 16.

MORE ABOUT Pay Hikes

meeting of the county board, two days after the officials legally were in office.

The group attended board and committee meetings comprising 3200 per diem payments, and if the \$5 increase is declared illegal, according to the state opinion, the overpayment will be about \$18,000.

Zoning Appeals Board

Kraynak pointed out that the same situation could apply to the county zoning board of appeals, headed by Howard Kaseberg of Granite City, who received a per diem increase from \$15 to \$20 last July 18 on approval of the county board, while all zoning board members were in office.

Also possibly involved are the curator and assistant curator of the Madison county museum, who received \$25 monthly pay hikes after they were appointed last November, in addition to the superintendents of the county nursing home and tuberculosis sanatorium, courthouse maintenance engineers and all other supervisory or department heads appointed by the board or county officials.

Kraynak also questioned the legality of a graduated salary increase of \$1000 per year approved by the board for the new county superintendent of highways.

It was pointed out that the compensation questions have no effect on the compensation status of clerks, secretary or other non-supervisory personnel.

Swallow More Opinions

Kraynak said the legal opinions of Atty. Gen. Clark seem quite clear, but that he is awaiting legal opinions from the county state's attorney before taking any action to obtain rebates.

Kraynak said he is not opposed to any of the increases in compensation, and that to the contrary, most are deserved.

He added, however, that many of the increases were granted by the county board during the past year while it was unable to obtain the legal advice of attorney State's Attorney Joseph Bart-lak of Collinsville, who resigned last year.

Two-Year Considerations

Both the board and the county auditor have been concerned over the matter of legality of compensation adjustments as presented in county board meetings during the past two years.

The overall aspects of the legality of such compensation increases was brought to a head last week after a Wood River township assistant supervisor, Roger Altie, challenged the legality of the \$5 per diem boost approved for the three members of the county board of review. He demanded restitution of \$2500.

Altie, a freshman on the county board of supervisors, currently is opposing Clyde Donham for the post of supervisor of Wood River township.

Miss Gregory, Jos. Ousley Exchange Wedding Vows

Emmanuel Baptist Church was the setting Saturday evening for the wedding of Miss Sandra Gregory, a daughter of Mr. and Mrs. Louis Gregory, 4788 Nam-soli road, and Joseph Ousley, whose parents are Mr. and Mrs. Herbert Ousley, 1727 Fifth street, Madison.

Music for the candlelight ceremony performed by the Rev. Austin Fisher was furnished by Mrs. Phyllis Martin, organist. The bride was given in marriage by her father. She wore an Empire gown of white velveteen with a jacket of imported lace featuring long, bell-shaped sleeves and a back closing of tiny pearl buttons. A pouf veil of silk illusion was attached to the cabbage rose of white velveteen, and the bride carried a cascade of white carnations centered with a gardenia corsage.

The attendants, Miss Janice Jones and Miss Lana Williams, were dressed alike. Their Empire effect gowns had bodices of lace which were worn over a film of silk organza, and crepe skirts. Headpieces were of pink illusion held in place with pearl encrusted combs and pink carnations made up their bouquets.

For her daughter's wedding Mrs. Gregory chose a dress of mocha shantung, mocha and gold accessories and a white orchid corsage. The bridegroom's mother was in a beige knit suit with black accessories. Her flowers were yellow roses.

A small reception for the immediate families was held at the church following the ceremony. After a brief wedding trip the newlyweds will be at home at 1828 Edwardsville road, Madison.

The bride is employed in St. Louis. Mr. Ousley is operator in the Westside Auto Salvage Co.

ENGAGED. Miss Rita Lynn Moore, whose parents, Mr. and Mrs. James R. Moore, 2611 Benton street, are announcing her betrothal to Gary L. McConnell, a son of Mr. and Mrs. Charles F. McConnell, 1013 Wayne avenue.

Family Life Talk By Dr. Meredith

Discussing "family education" at the January meeting of the Parkview school PTA Thursday night, Dr. Cameron W. Meredith, Southern Illinois University director of state and national public services, urged replacing punishment of children with permitting them to suffer the natural consequences of their behavior.

Except in matters of life or death, children learn best from experiencing challenges to themselves and making decisions on their own, the speaker said. Even meanness, bedtime and chores can be handled on a satisfactory basis with parents taking an attitude of friendly unconcern, the audience was told.

Dr. Meredith invited the PTA and general public to weekly parent-child relationship discussions held in the northern wing of

Granite City high school from 7:30 to 8:45 p.m. each Monday.

By analyzing specific situations encountered by participants, such discussions enable people to become more effective parents and teachers, he commented.

"A child's behavior has a purpose whether he is aware of the goals or not," Dr. Meredith said. "A child needs to find his place. Particularly in the family, he needs to gain recognition through accomplishment and to achieve satisfying relationships."

"Misbehavior results from a child's mistaken picture of himself in his world. He thinks he does not count and so feels that he must always be the center of attention, dominate others or secure their service by incapacity in order not to be isolated or lost."

He was introduced by Mrs. Elizabeth Briggs, program chairman, Mrs. Lala Hanks, membership chairman, said a PTA membership poster contest for students was won by Debbie Avery, with Greg Gauert second and Diane Porter, third.

The charter of the new PTA unit was displayed. Possible school projects were discussed and President William F. Winter announced future projects including Area PTA Council activities. Refreshments were served and films were shown to children.

Round Table PEO Chapters To Commemorate Founding

Chapters HT and KU of the P.E.O. Sisterhood, with other chapters from Belleville, Collinsville, East St. Louis and Edwardsville, will meet Tuesday, Jan. 31, at First Presbyterian Church, 6901 State street, East St. Louis, to commemorate the founding of the P.E.O. Sisterhood. These chapters comprise the Metro East Round Table, of which Mrs. Maurice Smith of Collinsville is president.

Mrs. Goldie Fischer is president of Chapter HT, and Mrs. Elizabeth Rice heads Chapter KU. The Illinois State president, Mrs. Elsie M. Morton of Belleville, is a member of Chapter CT.

Registration will begin at 9:30 a.m., and a memorial hour under the guidance of Chapter CT will follow. The day's program will be presented by Chapter KH of Edwardsville, and special music will be provided by Chapter IK of Collinsville. A brunch will be served by the hostess Chapter, EY of East St. Louis, at the conclusion of the morning program.

P.E.O. was founded Jan. 21, 1869, on the campus of Iowa Wesleyan College at Mt. Pleasant, Ia., and seven young women students, desiring to perpetuate their friendship, pledged themselves to selected purposes, the local presidents explained. The P.E.O. Sisterhood is now an international organization with thousands of chapters in the U.S. and Canada, and whose membership is now over 150,000. There are over 300 chapters in Illinois.

The purpose of the Sisterhood has been exclusively educational and charitable, and is now represented by the P.E.O. Educational Fund, the International Peace Scholarship Fund, and Cottey Junior College for Women. The chapters in Illinois also maintain P.E.O. Home in Knoxville, a Welfare and Trust Fund and a Cottey Scholarship Fund. Cottey College was founded in

15th Straight Win Madison Edges Edwarsville 79-78 Friday

With six seconds left in the final period and the Madison Trojans ahead 79-78, Edwarsville Tiger Tom Deont sank a two-point shot while the buzzer sounded. But it was not enough and the Trojans emerged victorious in their 15th straight game, beating Edwarsville 79-78 on the Madison court Friday.

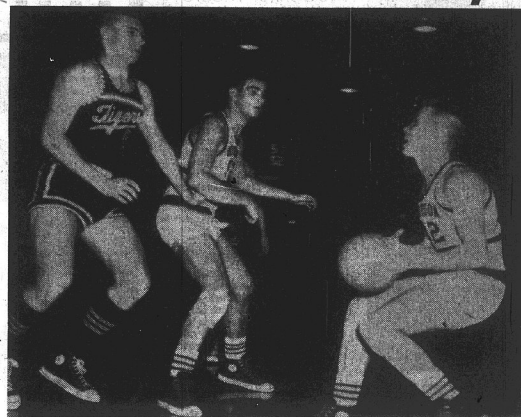

Earl McClanahan, Trojan Cage mentor, described Edwarsville as a "tough team." Evidence backing his statement is Madison falling behind by five points in the last five minutes of the game, and numerous turnovers throughout the game. What Madison suffered in technicals, walking penalties and bad throwing, Edwarsville equaled in fouls. The Tigers gave the Trojans 37 charity shot chances on a total of 19 fouls and Madison was successful in sinking 23 of the attempts.

Gary Lusk seemed sure to equal the free throw performance of his last game (18 out of 20) when he made 12 straight

charity shots before missing on the 13th. Trojan Ron Burt caused anxious moments in the final moments of the game. With 45 seconds to go and Madison three points ahead Burt was called on an offensive foul turning the ball over to the Tigers.

Throughout the game, the standing room only audience cheered advances and suffered through the failures of the individual teams. Coach McClanahan told the Press-Record, "this was a big game for them—to top us before playing Collinsville Saturday night would give them additional motivation." The Trojans were paced by the area's top scorer, Gary Lusk, with 24 points. Ron Burt followed with 23 points, Neal Podoba had 14, Joe Collins tallied seven and Albert Boyd scored five.

Madison led throughout the game—19-16 at the half and 62-60 after three periods of play.

LEADING AREA SCORER Trojan Gary Lusk gets set to shoot during the third period. Trying to block the shot is (far left) Tiger Marion Gruesewelle, but he is warded off by Trojan Steve Geroff.

TRAJAN BOOSTERS cheer Madison into their 15th straight win beating Edwarsville Friday night. The game had anxious moments, but the Trojans finished on top 79-78.

GC HS Loses at Collinsville, Quincy

Collinsville's Tom Parker hit for 28 and Kahok center Dennis Arnold pumped in 21 as the Kahoks ended the Granite City Warriors five-game winning streak 68-53 on the Collinsville basketball court Friday night.

The Warriors took the early lead 6-2 after guard Gary Simpson scored on two consecutive three-point plays. Coach Virgil Fletcher asked for a time out and apparently told his boys to press full court. The press stymied the Warriors as they lost the ball three times on steals. The Warriors also lost the ball four times due to 10-second violations.

To add to their dismay, Kahok Arnold hit on two 20-footers and added two layups during the first period of the game. The score stood 19-13 as the quarter ended. Fouling was prevalent during the second period as Kahok Arnold, and Warriors Gary Simpson and Jim Hentzel hitting their third fouls. Hentzel hitting on three long jumpers and Moore hitting for five points enabled the Warriors to trail by one at the half 29-28.

The Kahoks entered the third period somewhat handicapped when Arnold, Ron Burton, and Tom Parker carrying three fouls. However, the Collinsville press forced Granite City to give up the ball three times via steals. Kahok Forward Tom Parker assumed the role of playmaker finding Arnold under the basket for one two-point and tying

Burton underneath for two baskets. Parker added 13 big points during the quarter as Collinsville pulled away 50-40.

Temper erupted during the fourth period as Warrior mentor Ralph Sackett incurred a technical foul. A brief skirmish between Warrior Terry Moore and Forward Ron Burton of the opposing Kahoks resulted in ejection of the two with 3:30 remaining. There was some disagreement as to how many free throws should be awarded each.

After the referees deliberated, each team was awarded 2 foul shots, the call being a double foul and a technical against both clubs.

Warrior scorers included Hentzel with 19 points, followed by Moore and Gary Simpson with 11 points each. Jeff Jones had eight points, John VanBuskirk had four points and Jim Stuart had two points.

Kahok scorers were Parker with 28, Burton 14, Arnold 21, Fletcher 1, and Heimkamp added 4.

Scoring by quarters: Granite City 13 15 12 18—68 Collinsville 19 10 21 18—68

Drop Close Game at Quincy Dropping its second road game in two nights, GC HS lost 90-47 Saturday at Quincy in a non-conference game in which a full-court defensive press by both teams ended the scoring.

Down 13-11 after the first quarter, the Warriors fell behind 24-16 at the half and 37-27 going into the final period before rallying strongly to outscore Quincy 20-13.

Fourteen fouls were called on the Warriors compared to the host squad's 11, and Quincy had an edge in both free throws, 12-11, and field goals, 19-18.

Jim Hentzel led GC HS with 22 points, followed by Terry Moore with 10, John VanBuskirk five, Jim Stuart and Jeff Jones four each and Mike Hoy, two points.

After the referees deliberated, each team was awarded 2 foul shots, the call being a double foul and a technical against both clubs.

Warrior scorers included Hentzel with 19 points, followed by Moore and Gary Simpson with 11 points each. Jeff Jones had eight points, John VanBuskirk had four points and Jim Stuart had two points.

Mat Warriors Clinch Title Tie

Granite City high school wrestlers won a dual meet at East St. Louis 30-18 Friday and shared first place with McCluer in a four-way meet at Hazelwood Saturday. McCluer and the Warriors scored 10 points each by unbeaten James Stanley in the host team's 47 and Nor-mandy's 37.

On Saturday, the Warriors and western Conference, with two more conference meets left. Warrior Bill Fuchs (108) won on a forfeit, Bob Miller (95) pinned his foe in 1:04 and Jan Gitcho (112) won 12-0.

Two Warriors, Gus Schalkham (120) and Ernie Schwedman (154) wrestled to 1-1 draws. Drew Shands (133), a sophomore substitute for Ricky Smith, lost

6-0; Smith suffered an ankle injury in a meet with McCluer. Bill Gibson (127) and Ray Harris (165) won on pins in 3:11 and 5:56. Jerry Lapinski won 7-1 and Bruce Ellis (145) lost 6-3. Tim Wallace (180) was pinned by Miller and Wallace finished third. Shands and Paul Hoffman lost both of their bouts.

GC HS trailed by eight points going into the finals but tied McCluer going into the heavy-weight division.

Warriors finishing first were Bill Fuchs (108), Jan Gitcho (112), Bruce Ellis (145) and Ray Harris (165). Fuchs pinned both of his opponents.

Schalkham, Lapinski and Middleton placed second and Miller and Wallace finished third. Shands and Paul Hoffman lost both of their bouts.

Venice Downs Wesclin 77-56 in MCM Game

The Venice Red Devils downed much improved Wesclin 77-56 and eliminated them as Venice MCM team this season on the Venice basketball court Friday night.

In their first game with Wesclin, the Red Devils overpowered them 65-53, but Bill Ollendorf, Venice cage coach, said the team has improved since their first meeting — "especially on defense."

During the opening moments of the game, Venice cagers, who normally sink most of their shots from the wings, missed five straight from that area and fell behind 12-7. By rallying, tied in the score 14-14 at the first period post.

Pressing and forcing Wesclin to speed up, the Red Devils added nine turnovers in the second quarter. The quarter ended with Venice ahead 40-37. Shooting 30%, which is lower than the Red Devils made in the game, they had 11 in and out shots during the first half, but sharpened their shooting eye and jumped ahead in the third period 59-43.

Rich Essington paced the Red Devils with 29 points and was credited with eight assists during the game. Denny Hill followed with 14 points, John Gardner and Russell Turner had nine points each. Lloyd Harper had six points and Bob MacIntosh had two points.

Venice, now 7-1 in conference play and 15-3 in overall play, has two more games before they meet what Coach Ollendorf considers their chief conference foe, undefeated Canch Hill.

'Y' Swimmers Place in Meet

Mark Bueger, a member of the YMCA swimming team, broke a pool record to win first place in the eight-years-old and 50-yard breaststroke event in a YMCA swim meet Saturday at Clayton. His time was 20.4 seconds.

Miss Ann Bickhaus finished third in the women's open 200 yard breaststroke swim and two other team members finished in the top five in separate events.

Tod Cunningham was fifth, at 17.2, in the eight-and-under 25 yard free style race and Dana Eilers finished fifth, at 41.2, in the 10-and-under 50-yard backstroke event.

First of New Elderly Units Assigned Today

The Granite City Housing Authority this morning began assigning apartments in the second 100 units at The Anchorage, its project for the elderly. But no new applications are needed, since there will still be a backlog of about 200 when all 100 have been occupied.

Possession of 56 apartments in the 2300 and 2400 block of Winters drive was obtained late last week and it is this group which is being allocated starting today. The other 44, located in the 2300 block of Anchorage and 2900 block of East 24th street, are expected to be turned over to the housing authority in about a week.

Huck and Murphy Nuptials Saturday at Springfield

Miss Margaret Ellen Murphy, a daughter of Mrs. Robert B. Murphy of Springfield, Ill., and John F. Huck, whose parents are Mr. and Mrs. John J. Huck, 3325 Colgate place, were married Saturday morning at St. Agnes Catholic Church in Springfield with the Rev. Virgil W. Mank, former assistant pastor at St. Joseph's Church here, officiating.

The ceremony was performed at 11 a.m., and a reception was held afterward at Holiday Inn East in Springfield.

A gown of ivory peau de soie and Alencon lace dotted with seed pearls was worn by the bride. It was made on Empire lines with a straight skirt ending in a chapel train. The fitted bodice featured kabuki sleeves which formed a cape in the back. A silk illusion veil was held in place with an ivory cabbage rose and white roses with greenery and pearls made up the brides bouquet.

The attendants, Miss Mary Murphy, a sister of the bride, maid of honor, and Miss Mary Huck of Urbana, the bridegroom's sister, and Miss Jane Delano of Springfield, bridesmaids. They were dressed alike in moss green cut velvet and satin gowns with rounded necklines, fitted bodices and slim Empire skirts. Each of the girls carried a single long stem red rose.

Lee Politte of St. Louis, was best man for Mr. Huck, and James Murphy of Washington, D.C., a brother of the bride, Bruce Williams, Urbana, R.O.N. Dillard, of Granite City, and

Lawrence Goggins, a cousin of the bridegroom, served as groomsmen and ushers.

The newlyweds will make their home at 402 E. High street, Urbana, Ill.

The former Miss Murphy was graduated from Holy Cross Central School of Nursing in South Bend, Ind., and attended St. Louis University, and Mercy Hospital School of Nursing in Urbana.

Mr. Huck attended the local schools and received a B.S. degree in industrial engineering at the University of Illinois. He is presently a candidate for a master's degree in vocational education at the University of Illinois. He is employed by the IBM Corp., in Urbana as a systems engineer.

Coterie Hears Fine Arts Report

Mrs. E. A. Karandjoff, 2807 Cleveland blvd., entertained the Ladies Coterie Thursday afternoon.

Mrs. A. C. Steover, the club's Fine Arts chairman, outlined the general federation's Fine Arts department and program for the year. The theme is "Build For A Better World—Through the Arts."

A dessert course was served to 22 members preceding the business session conducted by Mrs. David Friedman, president.

Mrs. William Lierman opened the meeting with the club collect, and Mrs. Fred Haug reported on a special meeting held in her home last week.

Mrs. C. A. Pauly served as program chairman for the day and the members were entertained with a program entitled "Alumni Fun," patterned after a television program. There were two teams taking part, including Mrs. William Lierman, Mrs. Robert Chapman and Mrs. Henry George, versus Mrs. Steover, Mrs. Friedman and Mrs. Harry Erbe. The former was the winning team and a certificate of merit was presented to the members. Mrs. Haug served as moderator.

There also were several piano selections by Mrs. Lawrence Lindsey, a member of the Collinsville Woman's Club, who played "Impromptu" (Rheinhold); "Waltz in D Flat Major" (Chopin) and "Sparkles" (Walter Miles).

Jean Zimmerman is Bride Of Joseph B. Daugherty

Miss Jean Zimmerman, daughter of Mr. and Mrs. Joseph W. Zimmerman, 1530 Second street, Madison and Joseph B. Daugherty, son of Mr. and Mrs. Wallace Crippen, Rural Route One, East Carondelet, Ill., were united in marriage Saturday morning.

Fr. Engelbert Dienek officiated at the ten o'clock double-ring ceremony at St. Mary's Roman Catholic Church, Madison.

Mr. Zimmerman escorted his daughter down the white-carpeted aisle, giving her in marriage.

She was attired in a full-length taffeta gown designed with long sleeves and a scooped neckline. A modified sheath skirt had a detachable chapel train. Reminiscence of alencon lace trimmed the bodice, skirt and train of the gown.

An elbow-length veil of silk illusion was secured by a double seed pearl and crystal crown. A

cascade of white roses made up her bouquet.

Mr. Joe A. Walton and Mrs. Mary M. Dixon, sisters of the bride, served as matron of honor and bridesmaid.

They were dressed in full-length gowns with red velvetton bodices and long sleeves. The bridesmaids wore of white crepe. Cascade bouquets were carried by the attendants. The groom chose Joseph F. Zimmerman, brother of the bride, as best man, serving with William R. Daugherty, the groom's brother.

Larry E. McDowell and Carl Walton seated the guests.

The bride is a graduate of Madison high school and the groom graduated from St. Clair high school, St. Clair, Mo. He is now serving in the U. S. Navy.

The reception was held during the evening at the Spring Springs Sportsman's Club. The couple will reside in Brunswick, Ga.

Daughters of Union Veterans Tent 90 Seeking Members

A membership drive is underway by Tent 90, Daughters of Union Veterans of the Civil War, and all women of lineal descent of honorably discharged soldiers, sailors or marines who served in the Union Army during the war from 1861-65 are invited to join.

Mrs. Augusta Munsterman, president of the Tent, said today, "The daughters of daughters and the daughters of sons of veterans, and so on, in general order, who have attained the age of eight years are

eligible for membership. Eligibility is through lineal descent only and not through adoption."

The organization is non-profit and is designed to perpetuate the memories of those who served, Munsterman explained.

The members also assist the Grand Army of the Republic upon May 30, Memorial Day.

The DUV creed calls for members—"to cherish, maintain and extend the institution of American patriotism and love of country and to aid in securing for mankind all blessings of liberty; to commemorate the deeds of all veterans of all wars on the 30th of May and at such other times as may be appropriate and all the widows and descendants of veterans and those who are worthy and needy; and the acquisition and protection of historic spots and erection of monuments."

The membership committee consists of Mrs. Sylvia Turner, Mrs. Emma Huber and Mrs. Golda Mohrman. They may be contacted for an application, or information may be secured by calling TR 6-2951 or GL 1-9647.

Navy Mothers Enroll Three

Quadrant Navy Mothers, Unit 850, enrolled three new members and conducted oath of obligation ceremonies for two other newcomers during a semi-monthly meeting Thursday evening in the VFW Hall.

New members enrolled included Mrs. Joyce Hayes, Mrs. Lyle Jones and Mrs. Norma Hayes, while taking their obligatory oaths were Mrs. Elizabeth Ramsey and Mrs. Berneta Hall, Mrs. Hazel Jones, first vice-commander, was in charge of the ceremony and business session.

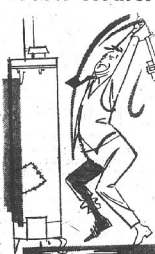

Plans were completed for a benefit bake sale to be sponsored by the unit Saturday, in the A & P Grocery store, and authorization was given for a donation to the Philadelphia Servicemen's Center.

During the social hour, games were played with prizes awarded to Mrs. Anna Kalips, Mrs. Vylene Fassig and Mrs. Edith McAllister. Mrs. Bessie Courtwright received the evening's "mystery package."

Mrs. Hazel Jones and Mrs. McAllister served refreshments to 17 members and two guests, Mrs. Delores McAllister and Mrs. Fassig. The unit will hold its next meeting Feb. 2 at the VFW Hall.

Earlier Discussion of State Bills, Transcript of Proceedings Urged

By Sen. Paul Simon

Most Illinois citizens would be pleased to visit the first few days of a legislative session. Proposals of major importance which would have received careful deliberation often are passed with no deliberation.

In four of the six regular six-month sessions in which I have served, the majority of bills acted upon during a session were acted upon during the final week. That means literally more than a thousand bills were passed or defeated during that last week.

One hopes that this situation will change during the present session.

Rep. Harold Katz, a Democrat from Cook County, and Sen. Harris Fawell, a Republican from DuPage County, in the 1955 session introduced bills for a commission to study the whole matter of legislative organization. Rep. Katz was made chairman of the commission and Sen. Fawell vice-chairman.

Report Praised

The commission has presented the legislature with a thoughtful thorough report—and within the next few weeks we will know whether it will be substantially adopted or rejected.

Its recommendations don't make very exciting reading, and yet their adoption is essential if the citizens of the state hope to improve the caliber of performance of the legislature.

Among the recommendations of the commission are:

1. The number of committees should be reduced. (This recommendation has already virtually been shelved.)
2. Constitutional amendments should receive more careful consideration by establishing new procedures. (At the present time constitutional amendments sometimes receive almost no debate or discussion.)
3. The Revenue Amendment of the last session was introduced in the House June 22, passed the House during the day, and passed the Senate June 23. This is hardly the way to handle anything so important.)

Copy of All Debate

2. A permanent transcript of all proceedings should be kept when measures are up for final passage. (Now there is only a record of who voted and neither the public nor the courts ordinarily have any idea why a measure was passed or defeated.)
4. Deadlines must be established to insure earlier consideration of all measures. (Under present procedures, bills may be introduced during the final days or even introduced in January but not be considered until June 30.)

5. Once bills become law, copies should be made available to the public immediately. (At the present time there is a gap of several months between the passage of a measure and general knowledge of it by the lawyers and courts.)
6. There should be a staff of two persons for each of the five most important committees. (At the present time no committee has staff, except for a clerk to call the roll.)

No Staff to Study Budget

When you consider that the Appropriations Committee, for example, will have to consider a budget of over \$5 billion without any staff to examine the requests, it becomes obvious that present procedures are unwelcome and unworkable.

There is speculation that some aldermen might find themselves ill or otherwise occupied tonight; this would leave them technically in support of redistricting, but by their absence they would be eliminating the favorable votes so important to passage of the ordinance.

Failure for any reason to adopt new ward boundaries could not help but mar the council's public image at a time when it instead needs bolstering. The key votes will be those of the ten who supported redistricting last week—Aldermen Boyd, Poulos, Rutledge, Basarich, Nott, Farley, Fry, Sternberg, Johnson and Thompson.

These suggestions are among the 87 recommendations by the commission.

They are not likely to excite the public. Yet, the public has a big stake in their passage.

If those who like to manipulate the House during the last few days are able to let these recommendations die quietly, the public will be the real loser.

Putting a Touchdown Through The Basket in the Ninth Inning

A strong candidate for the most useless poll of the year is the one in which an outstanding sports team is selected. Such surveys no doubt are helpful in providing a headline on otherwise quiet sports days, but rating the Baltimore Orioles as No. 1 and Green Bay Packers as No. 2 is somewhat like adding two apples to two oranges and totaling up four plums.

If we were the Boston Celtics (No. 10) and had to compete with Notre Dame (No. 3) we'd like to have a little more ammunition than a mere basketball to offset those big tackles and full-backs.

Local 'Combat Team' Entertained

Vietnam may attract Bob Hope each Christmas, but the Granite City Army Depot also is getting recognition from the entertainment world, judging by the visit of Pat Suzuki, motion picture and stage actress.

Her visit was fitting because many servicemen are sent from the Depot to the war front, and because civilian and military personnel here perform many vital services for American units in Vietnam, including the rapid location, preparation and shipment of equipment in response to specific requests. The Vietnam war is geographically on the other side of the world but it looms large in the daily thoughts and actions of countless Quad-City individuals and families.

Hope for Park-Harbor Agreement

Word that an agreement is imminent on park and harbor territorial needs between the Hartford Canal and the northern end of the Chain of Rocks Canal is highly encouraging.

As has been said here in the past, both a water freight inlet and expansion of the Lewis & Clark Park are possible and desirable.

If advocates of both projects can develop a mutually acceptable plan, a significant step will have been taken to aid conservation, recreation, economic growth and the expansion of Madison county job opportunities and transportation facilities.

Young Children Must Be Protected

The tragic circumstances surrounding accidental injury and death usually dictate no editorial criticism because those involved already have encountered more than enough sorrow and self-examination.

Several recent Quad-City fires have caused loss of life or extensive property damage. They merit comment collectively because they involved an all-too-frequent practice of leaving young children alone in a home.

Until youngsters have reached junior high school age or at least the upper elementary grades, there is no way they can be safely left on their own. There is not only the prospect of childhood curiosity or pranks creating hazards; heating units and other equipment and services can become defective, trapping those too young to flee or protect themselves.

Parenthood involves many responsibilities. One of the most basic is to provide adequate around-the-clock supervision for children.

The New York Democrat who sent \$2 to Sen. Robert F. Kennedy, urging him to get a haircut, evidently is not aware of the current impact of inflation and facts. At the Coast men's coiffure shops of the type catering to senators, the going rate is \$25. An even more pointed consideration is that singing groups and public figures catering to "those who think young" aren't wearing crewcuts this year.

It is discouraged. In general, the practice of dedicating or earmarking funds brings about a loss of responsibility and is not desirable. The practice also erodes legislative authority any may result in inefficient allocation of funds.

"Overnight of the executive departments is regarded as a continuing function of the legislature, to be performed partly by the legislature itself, by other agencies such as those performing fiscal post audit and other review, and by attention of the news media.

Intent of New Bills

"Whoever discharges this function would be aided by improved practices in the stating of legislative intent.

"Thus, it is recommended that legislators make wider use of preambles in bill drafting and the better reports be prepared by the legislative staff in the enactment of legislation.

Where the initiative and referendum are available there should be safeguards against their abuse, particularly in the area of taxation.

"This Assembly recommends that the relative merits of the bicameral and unicameral systems, receive serious study as well as continued and critical discussion.

Joint Committees

"Greater use should be made of joint legislative committees. The organization of parallel committees in the two houses of bicameral legislatures that might hold joint hearings and otherwise work together should be encouraged.

Legislative Hearings

"The relative merits of the bicameral and unicameral systems, receive serious study as well as continued and critical discussion.

"The adoption of the unicameral system by the state of Nebraska has been a significant demonstration of the use of the states as laboratories for experimentation in the federal system.

A spirit of imaginative experimentation is required for the solution of the problems of today and the problems of the future.

"The legislators must provide bold, imaginative, and aggressive leadership in all areas of government in the state.

Income Tax Questions, Answers

Minimum Deduction Explained

By Jay C. Philpott
District Director
Internal Revenue Service

Q—How does the minimum standard deduction work?

A—The deduction amounts to \$200 plus \$100 for each exemption taken on the return including those for age and blindness.

For married couples filing separately, the deduction is \$100 plus \$100 for each exemption.

The maximum that may be claimed by those using this deduction is \$1000, but it is limited to \$500 when a married taxpayer files a separate return.

A married couple with two children as dependents would be entitled to a \$600 deduction when this method is used. If the couple reported on the return was over \$6000 then this method would be more to the couple's advantage than the standard deduction.

Home Sales by Elderly

Q—If you heard that one of the tax benefits for older people is to be able to sell your home at a profit and not be taxed on that money, is that true?

A—Yes it is, if certain conditions are met. You will not have to pay tax on the profit if you were 65 or older before the date of the sale, the adjusted sales price was \$20,000 or less, and you owned and occupied the house as your principal residence for at least five of the eight years before the sale.

If you sold the house for over \$20,000 and the other conditions were met, then only a portion of the profit will be taxable.

This benefit is explained in the booklet "Tax Benefits for Older Americans," Document No. 5598. For a free copy, drop a postcard to your IRS district director.

Q—Are you going to offer tax assistance over the phone again this year?

A—Yes. Check the local phone directory for the number to call.

Q—Does the law now require us to file my return with an IRS service center?

A—A new law authorizes the Secretary of Treasury to make such a request but it will not be required for 1969 returns. Check your 1968 instructions for the address of this office to which tax returns are to be sent.

Note that in some states, taxpayers are offered the option of mailing returns calling for a refund direct to a service center. Even in these states this is not of the sale, the adjusted sales price was \$20,000 or less, and you owned and occupied the house as your principal residence for at least five of the eight years before the sale.

STUDIES SHOW SEVERITY OF AREA AIR POLLUTION

To the Editor:

There has been recently published the results of two studies on particulate concentration levels. Particulate matter is airborne dust which can settle out on our homes and may be inhaled into our lungs.

The first study was conducted by the U. S. Public Health Service and showed the average person who breathed about 2.5 pounds of dirt into his lungs each year.

The citizens of Granite City do not need the data quoted above to tell them they have a dirty than 150 micrograms per cubic atmosphere in which to live. This meter.

Unfortunately, Granite City is in this group of the 26 dirtiest cities. Other cities in this area in this classification were East St. Louis, Edwardsville and Wood River.

The second study was compiled by the Illinois Air Pollution Control Board and showed the particulate concentration for the Granite City Sampling Station (2200 Edison Avenue) to be as follows, in micrograms per cubic meter:

Maxi-Mini-Avermum
June 228 238
July 320 228
August 228 159
Thus, among the 45 stations in Illinois, Granite City can claim the following:

Third highest average in June.
Highest average in July.
Fourth highest maximum in

Thus, the full cooperation of both industry and the individual citizen can reduce the amount of air of Granite City from this place of dishonor on these lists and make the city a better place to live.

50 YEARS AGO

From the Files of the Press-Record

JANUARY 23, 1917

Heavy wind blew out the plate glass front of the office of the Granite City Realty Co. in the Netherland building. Rolls of old carpet were tacked over the damaged front until workmen could board up the place.

The glass was replaced at once. No other damage was reported to have been caused by the high wind.

The Granite City high school basketball team went down in defeat before the Edwardsville team in a game played at the county seat. The local boys gave the Edwardsville chaps a hard fight and lost by the score of 20-23.

Both teams played an excellent game. A special car containing the local team and a large force of volunteers made the trip. As a curtain-raiser, two girls' basketball teams played a game.

Cong. Edwin M. Schaefer, Democrat, will not be a candidate for re-election at the end of his present term, but will retire to private life. His resignation was informed today by his secretary, Melvin Price.

Schaefer is finishing his fifth term as congressman. He is 51 years old and has served in the U. S. House of Representatives for 15 years.

"This Assembly recommends that the relative merits of the bicameral and unicameral systems, receive serious study as well as continued and critical discussion.

World Hunger Places U. S. in Peril

(Grand Rapids, Minn., Herald-Review)

"And I shall come a pass that when they shall be hungry, they shall fret themselves, and curse their king and their God . . ."—Isaiah 8:21.

National Grange Master Herschel D. Newsum uses this brief quotation from the Old Testament to focus attention on a rapidly-growing problem in a discussion in the National Grange monthly. Many believe that starvation ranks at the top of the list of problems confronting the world today.

"We must realize as a nation that there is no greater peril to our way of life, our standard of living, our Christian concepts of total brotherhood than the threat inherent in hunger and starvation spreading over two-thirds of the earth's surface," Newsum declares.

"There is much truth in his remarks."

Americans today know more about how to produce high quality food for peak nutritional value than at any other time. Yet many persons in other parts of the world will starve to death this year, and the chances of the rapidly expanding world population ever having an adequate diet are slim.

Half of Babies Die of Five

Americans know more than ever about nutrition. But two-thirds of the world suffers from malnutrition. Half the babies born die within five years because of inadequate and improper nourishment.

We have developed the best system of food distribution in history. But a starvation exists because there is no marketing and transportation organization capable of moving food supplies into food-deficit areas.

"We must face the cruel fact that effective famine feeds the great masses of people in India, even though that country has received more food aid from American producers than any other major country in the last two decades," Newsum says.

"We must also face the realistic truth that continued and unlimited aid must not be used to destroy the existing United States profit incentives or productive capacity in the pursuit of hasty decisions to forever remain 'our brother's keeper,'" he concludes.

Problem Too Big for U.S.

World food relief and production problems are so vast that the United States should not attempt to meet the obligations alone.

More alarming than making people permanent objects of our charity is the resulting failure.

Emergency Vehicles Among Those Delayed at Broadway Crossing

If any further justification was needed for prompt construction of a Broadway overpass for Venice auto traffic, it was provided last week.

A train blocking the crossing delayed police on one side who were trying to join a fellow officer investigating a disturbance on the other side. The altercation ended in a fist fighting, perhaps partly because of the lack of sufficient law enforcement personnel during its early stages.

Numerous fire engine and ambulance delays also came to mind. Even when long trains have been separated to permit emergency vehicles to pass, precious minutes have been lost.

Serious problems arise when one part of a municipality is separated for indefinite periods of time from another part. Not all traffic routes need to be through streets, but at least one dependable artery is essential.

All Venice residents, all Quad-Cityans and a considerable number of Missourians are hoping for an early breakthrough in the long effort to obtain all underpasses. The Illinois Commerce Commission and Illinois Highway Division could provide a solution; they must not fail.

Recommendations Given on Legislative Pay, Conduct, Services, Hearings

(One of a Press-Record series on government reorganization)

Among the numerous groups calling for reorganization to improve governmental effectiveness is the Mid-America Assembly on State Legislatures.

Midwestern public officials, professional men, civic leaders and businessmen participating in the assembly have just authorized the following recommendations to upgrade state legislative membership, procedures and financial resources:

"If state legislatures are to function more effectively, a greater number of qualified men and women must be willing to become candidates and to serve as legislators.

"Higher Salaries

"Voters must have a wider choice of qualified candidates from whom to choose their representatives. As an inducement to more men and women to run for office, salaries of legislators should be increased to levels where any citizen can serve without incurring severe financial loss.

"One essential factor in encouraging a greater number of qualified persons to run for legislative positions and to serve in legislatures would be an improved public image of legislators and legislative bodies.

"A better public image can be achieved through improved quality in media coverage, legislative procedures and practices, and educational programs in the schools, colleges, universities and citizen groups.

"The public at large needs to know a great deal more about the state legislature as an institution and the legislative process. The legislators themselves should contribute to this knowledge.

St. Louis Escapee Arrested in Venice

An escapee from the Malcolm Bliss Mental Hospital, St. Louis, surrendered to Venice, Madison and St. Louis police officers at 11:45 a.m. today at Arthur Means service station, Market street, after a Venice policeman fired a shot at him.

Police identified him as Arthur Smith, 20, of St. Louis, who had drawn a .38 caliber revolver from his shirt after being ordered to put his hands up. He was frightened by the shot fired by an officer and dropped his gun.

The shot was fired by Officer Dewey Brawley, who was at a difficult angle, and the bullet struck a gas pump which protected Smith. Smith was charged with unlawful use of weapons by Venice police who are awaiting warrants from St. Louis police for various crimes.

He was reported to be dangerous after his escape. A surveillance of the man started after Madison police learned that he was staying in the 1200 block of Market street, Venice. But other persons were in the house, including children, no attempt was made to arrest him there. A box containing 20 cartridges was found in Smith's pocket.

Three divorce decrees granted in GC Court

Three couples were divorced last week in the Granite City Division of circuit court. Decrees granted by Associate Judge Austin Lewis were issued to:

Carolyn S. Cox of Granite City from David Cox of Madison. They were married Feb. 3, 1962 in Madison, and separated last Aug. 15. Cruelty was charged. Custody of two children was granted to the mother, and the father was ordered to pay \$25 per week child support.

Norma Killen of Granite City from John Killen of Burbank, Calif. They were married Aug. 5, 1950, in Springfield, and separated Sept. 1, 1964. Desertion was charged. Custody of five children was granted to the mother. The matters of child support, alimony and attorney fees were reserved by the court.

Ralph Andrew Hartline of Granite City from Brenda Lee Hartline of Lacrosse, Wis. They were married Aug. 21, 1962, in Honolulu, Hawaii, and separated Jan. 15. The father obtained custody of one child.

Granite City Wins \$260 Suggestion Award

A Granite Cityan, Robert W. Luckert, 2071 Richmond avenue, was given official recognition when a \$260 suggestion award check was presented to him for initiative and enterprise displayed in offering a suggestion which resulted in a system of maintaining accurate controls on Federal Catalog data forwarded through other Department of Defense activities for support of Army Aviation Materiel Command requirements.

Luckert was presented the award by Wayne Smoltz, director of Technical Data, Cataloging and Standardization, U. S. Army Aviation Materiel Command, St. Louis.

He now is attending Army Logistic Management school at Ft. Lee, Va. His wife, Dorothy, accompanied him on his present assignment which extends through March.

JCs Distinguished Service Award Finalists Selected

Loren Davis, Boyd Presley and Michael Jesse are the three finalists selected by an anonymous committee for the Granite City Jaycees' 1966 Distinguished Service Award. It was announced today by Roger Ward, Jaycees project chairman.

The award will be presented at the Jaycees' DSA and "Bosses Night" banquet Wednesday at the Rose Bowl restaurant. Announcement of the winner will highlight "Jaycee Week" which ends on Saturday, Jan. 28.

The selection, which is limited to young men of the community, is based on civic performances during the past year. The nominees must be under 36 years of age.

Davis, 32, works in sales and distribution with Aro-Dressel Dairy Co. and is affiliated with the Davis Funeral Home. He and his wife, Carol Anne, and a three-year-old daughter, Megan, live at 2632 Benton street.

Presley, 33, who is the current Granite City Jaycee chapter president, works in time study analysis at the Granite City post office and is affiliated with Lake Realty Co. He and his wife, Pauline, live at 2441 St. Clair avenue.

Jesse, 21, is a physical instructor at the local YMCA and attends Southern Illinois University. He lives at 3261 Carlson avenue.

PTA Council to Hear Project Lift-Off Story

Mrs. Ruth Lahr, Granite City director of Project Lift-Off, a government-sponsored preschool and developmental reading program, will be guest speaker at the bi-monthly meeting of the Granite City Area Council of PTAs at 7:30 p.m. Thursday in Emerson school.

Plans are to be made for the annual "Parent-Teacher Appreciation Dinner" on Thursday, Feb. 9, in the high school cafeteria.

PTA unit officers are being urged to submit the names of nominees for the Life Membership Award, the highest honor bestowed by the council each year on a PTA member or educator who has contributed to education through PTA activities.

Council sessions are open to any PTA member or parent interested in education. Voting delegates include school principals, PTA presidents and elected representatives of each PTA unit in the Granite City school district.

MRS. ANN CROWLEY
Food Consultant

Tri-City Grocery Co. Hires Food Consultant

S. E. Pershall Jr., president of Tri-City Grocery Co. is announcing that the firm has retained Mrs. Ann Crowley of Iowa City, Ia., one of the nation's top dietitians, as food consultant for the locally based company. She is a member of the American Dietetic Association and is listed in Who's Who in American Women.

"Mrs. Crowley will intensify the grocery company's direct nutrition service to housewives, which has continued in various ways since 1914," Pershall said. She will write a weekly column on food planning and nutrition to be published in area newspapers carrying Tri-City advertising.

The new food consultant also will appear periodically on radio and television programs and will answer any questions from customers of the extensive Tri-City Grocery chain. Inquiries concerning these areas may be addressed to Ann Crowley, Tri-City Grocery Co., Granite City, Pershall said.

Six Local Motorists Lose Driving Privilege

Actions on drivers' licenses by Secretary of State Paul Powell last week resulted in two revocations, four suspensions and the issuance of three probationary permits for Quad-City motorists.

The revocations for reason of driving while intoxicated were ruled for Carleton Steele, 4524 Highway 102, and Fred L. Weber, 2021 Park avenue.

The suspensions, all for three traffic violations, were for Sherman A. Ballard, Granite City; Alfred L. Burton, 2713 Stratford lane; James E. Lomax, 1225 Douglas street, Madison, and LeRoy S. York, 1832a State street.

Probationary permits were issued to Edgar J. Pratt, 3131 Wayne avenue, Sherman D. Seeger, 2712 National avenue, and Steve S. Spurgeon, 2357 Boyle avenue.

Psychiatric Teams To Train Volunteers

Psychiatric unit team meetings will be the focal point of in-service training for volunteers when they gather at Alton State Hospital Wednesday.

Another scheduled highlight is a talk by the Rev. Warren Wyrick, Protestant chaplain, entitled "Building Better Bridges to the Community." The program gets under way at 9:30 a.m. in the recreation hall.

Mrs. Marjorie Dittmann, volunteer supervisor, said reservations should be submitted to her office by Tuesday. She said units of both Madison and St. Clair counties will hold meetings in which they discuss actual problems associated with their operations.

The remainder of the session will be devoted to film showings on mental health and volunteers, a covered-dish luncheon and entertainment by the Folsingers, a patient vocal group directed by Mrs. Bess Westbrook, music therapist.

Fire Destroys Home In Venice; \$5000 Loss

A fire that originated in the furnace room of the home of Fifer Hollis, 1211 Douglas street, Venice, destroyed the house and contents Friday afternoon. Loss was estimated at \$4000 to the property and \$1000 to the contents.

Venice firemen were called at 1:22 p.m. and reported the fire in the house was engulfed in flames when they arrived. The Madison fire department was called for assistance.

An adjoining house occupied by Jackson Varnell at 1213 Douglas avenue, was scorched by the heat of the burning house. Damage was estimated by firemen at \$200.

Mrs. Hollis told firemen she smelled smoke and went to the furnace room to investigate. She said the ceiling and the walls were ablaze. Firemen were at the scene two hours.

Venice firemen also were called Friday at 3:40 p.m. to McKinley Bridge where an auto was reported on fire. The car was gone when they arrived, firemen said.

4 Minor Fire Alarms

Granite City firemen answered four alarms Friday afternoon and reported \$50 damage to the home of David Stuart, 2638 East 28th street, caused by burning rubbish.

Weed and grass fires were extinguished in a field at Circle drive and Sinclair avenue, at the home of Edward Lambeth, 2233 Cayuga street, and in the 2400 block of East 23rd street.

Fire at Goodwill Store

Firemen were called to the Goodwill Store, 1821 State street, about 2:15 p.m. Saturday when a fire broke out in a fluorescent light fixture. Firemen were at the scene only a few minutes. The damage was set at \$50.

Undergoes Eye Surgery

Mrs. J. C. Ranft, 2118 Grand avenue, is recovering at McMillan Hospital, St. Louis, from eye surgery which she underwent Friday. She had a cataract removed from her left eye.

MORE ABOUT

Retailers Hear

will eliminate many costly procedures, he explained.

"We were hampered in tackling any of the problems posed by the SIU downtown study (a study of existing and future potential problems of the downtown business district) by the loss of our secretary and executive director. But, I am sure that some of the problems posed will be dealt with this year," Helman said.

Pending Legislation

The retailers and guests were briefed by Sen. Simon on pending legislation in the General Assembly that would involve retailing.

"Credit legislation possibly will be passed this year which will protect the consumer by making loan organizations print in black and white all particulars of the loan including the amount of interest, principal and contract interest rates."

"The large majority of the retailers haven't abused the public in loans or any contractual agreement, but a few have, necessitating legislative action," the senator said.

Simon advised the retailers that a bill was introduced last week in the legislature for the purpose of preventing the sale by state-supported universities of items in direct competition with local merchants. "It's obvious you don't use tax money to compete with free enterprise."

Commenting on revenue needs for the state, he said, "We will need an additional \$500 to \$600 million revenue this biennium to keep up with present state programs, such as aid to schools, colleges and universities, and improvement and maintenance of our highway system."

Possible Services

"The question is—where does the money come from? I personally favor what 37 other states have—a state personal income tax with a reduction in personal property and real estate property taxes. However, this proposal will not be passed this year."

Another method, he said, would be to broaden the sales tax base "by taxing areas we haven't taxed before, such as hair styling and barber shops. A third alternative would be an increase in the present sales tax."

"I am against this because it would place a hardship on low-income people, and because they would not raise enough money. It also would place a hardship on people and businesses in border areas of the state."

The senator noted that Illinois now has the highest retail sales tax in the U. S.

Expanding further on his comments concerning Granite City, Sen. Simon predicted the community could become an area leader.

Convention Facilities

"You should try to develop the convention potential because so often Madison county groups have to go to St. Louis or out of the Quad-Cities for meetings."

"I would like to see Granite City become a cultural and educational center. This could be accomplished by having cultural programs presented by SIU in the city and by having university classes in the city. I think that each incoming professor should be extended an invitation to live in Granite City."

The senator added that Granite City should be concerned with its fringe areas. "When East St. Louis has a problem, it concerns Granite City, because the problem reflects on the whole image of the Illinois east side."

Being specific, Simon told retailers that downtown Granite City has a more severe parking problem than most comparative cities he has seen in Illinois. He stressed availability of downtown parking and accessibility to the downtown district as key factors in retail growth.

Senator Simon commended Henry D. Karandjef, local barber, for his continuing efforts to acquire a state park and water recreational area at Horseshoe Lake.

"Cities are much like individuals, and if Granite City works hard and plans, it will be a city you will be proud of," he concluded.

McGovern Hit by Car

At Jiffy Car Wash

Phillip McGovern, 41, of 2318 East 27th street, manager of Jiffy Automatic Car Wash, 1506 Madison avenue, was injured Friday afternoon when he was knocked down by an auto being driven out of the car wash by an attendant.

McGovern was taken by ambulance to St. Elizabeth Hospital for treatment of abrasions and contusions to both legs. He was released after treatment.

Hit-Run Car Damage

The left front of an auto owned by Donald Dix, of Belleville, was damaged Sunday night while it was parked at the Legion post parking lot in Venice. Dix said the damage was done by a hit and run driver before 9 p.m. while he was in the Legion hall.

26 Injured

Shirley Maraball, 30, of 3601 Kirkpatrick Homes, who was a passenger in the Maraball car, was injured about 8:30 p.m. Friday when the 16-year-old driver hit the gas pedal instead of the brake while making a right turn, and the auto knocked down a stop sign and ran into a building at 2108 East 24th street.

The driver, Charles Edward Johnston, 16, of 1911 Benton street, was charged with operating a motor vehicle without a driver's license and destruction of city property. He and two passengers, Thomas Hanneman, 18, of Collinsville, and Roy Parker, 16, of 4307 Kirkpatrick Homes, suffered minor injuries, police said.

A storm door, brick and plaster were damaged at the building owned by Ray Schaus.

3 in Family Hurt

Charles Sexton, 23, of 1435a Third street, Madison, his wife, Sherrell, 23, and their son, Charles, 2, were hospitalized here Saturday night following an accident on the curve at Mitchell in front of Abbie Paul's garage.

The family was returning home from the drive-in theater at Mitchell when the auto traveling in the opposite direction slid on the wet pavement into their car. The driver was Ronald Smith, 17, of 212 Angela Drive.

Sexton, a Granite City Steel Co. employee, suffered abdominal injuries and abrasions to his left elbow. His wife suffered cuts to her face and abrasions to her left leg and hip. Their son is being treated for multiple small cuts to his face.

Two motorists suffered minor injuries about 5:45 a.m. Sunday in a collision on Route 162 at the Bluff Furnace plant of Granite City Steel Co. They were Tony Sperino, 58, of Caseyville, who was traveling north, and Paul Stark, 35, of 134 Fourth street, who was leaving the plant parking lot to travel north, police said.

Mrs. Josephine E. Calvo, 41, of 3254 Westchester drive, complained of pains after her auto was struck from behind by another driven by Eddie L. Jordan, 205 Watson road, Eagle Park Acres, at 3:30 p.m. Thursday at East 20th street and Edwardsville road.

She was stopped at the intersection waiting for a left turn arrow. Jordan said his brakes failed, but the investigating officer found the car had a firm brake pedal and charged Jordan with careless driving. He was summoned for a hearing by Friday.

Rey, 6, Hit: Leg Broken
A St. Louis boy, 6, suffered compound fracture of his left leg, possible fracture of the left shoulder and multiple abrasions about 4:20 p.m. Sunday when he was knocked down by an auto in the 2100 block of Lee avenue.

Witnesses told police the boy was walking along the sidewalk on the west side and suddenly reentered into the street in front of the south bound auto of Michael Krause, 18, of 3996 Lake street. Police measured the auto skid marks at 12 feet.

Considerable Vandalism

To Parked Auto Friday

Vandals tore loose all wires on the engine of the 1960 auto of Willie Reynolds, 2208 Illinois avenue, and also broke out the rear window and punched a hole in the windshield Friday night. Reynolds told police the vandalism occurred while the car was parked at West 22nd street and Bryan avenue.

Motorist Injured
Mrs. Volina McDonald, 22, of Collinsville was admitted to St. Elizabeth Hospital for treatment of injuries suffered to her abdomen in a collision Saturday night at 20th and Louis streets.

She was driving east when an auto driven by George Williams, 56, of 809 Washington avenue, also headed east, started to make a U-turn. There was damage to the front of the McDonald auto and to the left side of Williams' car.

Complains of Pains
John L. Mitchell, 30, of 188 to St. Elizabeth Hospital at 10:10 p.m. Saturday with injuries re-plained of pains after his auto collided with another driven by William Becker, 2027 Fourth left elbow, knee and thigh. De-street, Madison, at 10:45 p.m. tails of the mishap were unavailable Sunday at East 23rd and August ave.

MORE ABOUT

Newlyweds

car was at a garage at 1242 (rear) Iowa street, and when he returned three weeks ago it still had not been repaired. He went back again Saturday and found no one at the garage, but his car was there, minus its generator, gear-shift link and fuel pump. He said the lock apparently had been broken on the garage door.

A box of assorted used fishing plugs was stolen in a burglary at Bob's Bait shop, 2617 East 25th street, it was reported at 2:50 p.m. Sunday. Entry was gained by breaking a window. It also was reported that vandals broke 12 windows.

At least several cartons of cigarettes were stolen Friday night from Tri-City Grocery, 18th street and Cleveland blvd., where a front door glass was smashed to gain entrance. Paul Kelly, manager, said he was unable to determine the number of cartons missing from a rack near the door. Nothing else was disturbed, he said.

A 17-inch portable television set and two white sheets were stolen between 5 and 10 p.m. Friday from the upstairs apartment of Gene Sine, 2909 Buxton avenue. Police said the apartment door was forced open.

Theft Charge Filed
A charge of theft under \$150 was placed against Charles D. Johnson, 43, of 1705 Mitchell avenue, by police who were called Friday evening to the Maryland and Bi-Rite Market, Portion road and Franklin avenue. He was given a notice to appear for hearing Jan. 31.

A black and yellow 1967 auto, found by police at 7:05 a.m. Friday at Maryville school, was reported stolen by Sam Stringer, a salesman for the Mathews auto

Auto Window Shot

Charles Powers, 2128 Johnson road, reported at 11:45 a.m. Sunday that vandals shot the left rear door window of his 1964 auto with a BB gun while the car was parked at his home.

A newlywed couple who had just completed furnishing a home with new household items and their wedding gifts found many of their belongings had been stolen when they moved into the house yesterday.

The groom, Joseph Ousley, said burglars broke into the house at 1926 Edwardsville road by going through the garage and prying open a door to the house.

Taken were a 25-inch color TV set, bed, sheets, pillowcases, bedspreads, an electric broiler and an alarm clock. All of the items were new.

Auto Battery Stolen

Mrs. Glenda Davis, 2897 Denver street, reported at 6:50 a.m. Friday that a 12-volt battery valued at \$15 was stolen from her 1960 auto while it was parked in front of her home during the night.

Truck Permits Stolen
Two tractor trucks were broken into Friday night or early Saturday morning and truck permits stolen from each of them, Willie Williams, 2888 Pershing avenue, terminal manager of Steelhaulers, Inc., Market and State street, reported to Madison police at 9 a.m. Saturday. He said the door glass on one tractor was broken and the vent window was forced open on another.

Driver's License Stolen

Miss Archie M. Harris, 1001 Bissell street, Venice, reported to Madison police Saturday afternoon that her driver's license was stolen while she was at a tavern in Brooklyn Friday night.

Madison Man Stabbed In Neck by Brother

A 58-year-old Madison man was stabbed in the neck by his brother and seriously injured during an argument Thursday night at 1911 Edwardsville road.

The victim, Robert Henderson, suffered a deep, five-inch cut along the left side of his neck which required 15 stitches at St. Elizabeth Hospital.

The county sheriff's office said that the victim and his brother, Virgil Henderson, 52, had argued over food in the house after they had been drinking. Virgil said his brother picked up a paring knife and threatened to kill him. Virgil added that he pulled out his pocket knife, and the two scuffled on the bed when the younger Henderson has been unable to walk since suffering a back injury seven years ago. The two declined to press charges.

A monthly meeting of the Mrs. Nine club was held Friday evening in the home of Mrs. Betty Rowlett, 1717 Minerva street.

Pinocle was played during the evening and those winning prizes were Mrs. Rose Tax, first, Mrs. Rose Kayser, second, and Mrs. Pat Kalips, third.

A dessert luncheon was served by the hostesses to the prize winners and Mrs. Millie Meahan and Mrs. Mildred Noeth. The club will meet Feb. 17 in the home of Mrs. Kayser, 614 Rodgers avenue.

LUTHERAN WOMEN VISIT SLIDES OF HOLY LAND
The program for a monthly meeting of the Peace Lutheran Women on Wednesday evening consisted of slides on the Holy Land shown and explained by Mrs. Lois Huxel.

The meeting was held in the home of Mrs. Inge Frandsen, 2825 Cleveland boulevard. Mrs. Rachel Larsen, president, conducted the business session and reports were given by Mrs. Barbara Wright and Mrs. Rose Henderson.

Mrs. Donna Johnson gave opening devotions.

Mrs. Larsen announced the meeting will be changed next month due to Lenten services. The group will meet Monday, Feb. 13, in her home, 2207 Manley avenue.

Mrs. Frandsen served refreshments to those named and Mrs. Doris Walsh, Mrs. Eloise Kinder, Miss Mary Candler, Mrs. Carol Gendron and guests, Mrs. Huxel, Mrs. Helen Phoenix and Mrs. Dagmar Phoenix.

2191 Youngsters Enrolled In GC 'Project Lift Off'

"Project Lift-Off," a four-facet, federally-financed program that provides developmental remedial services to kindergarten through third grade pupils, in conjunction with a pre-school preparatory program, has a current enrollment of 2191 youngsters in Granite City schools, according to Mrs. Ruth Lahr, director of the district's four Lift-Off centers.

Mrs. Lahr described the objectives and operations of the government-sponsored program for members of the Granite City Optimist Club at their luncheon meeting Thursday in the YMCA. She was introduced by William L. Harris, Optimist program chairman.

The director said in 1965, the Granite City school district received a federal grant of \$171,190 with which to get the program in operation, and a further \$131,000 for the current school year. Both amounts were obtained from Title I funds under the U. S. Elementary and Secondary Education Act, she added.

From the initial grant, two separate portable building units were put up at each of four target schools—Lagan, Emerson, Webster and Washington, Mrs. Lahr explained. At each center, one of the units is used for the regular Lift-Off project—instructional activities for the pre-school youngsters—while the other houses a separate and distinct remedial reading center, a vitally important phase of the program.

Also Nurses, Counselors
In addition to a regular teacher for each of the four Lift-Off pre-kindergarten centers, the current program also includes a remedial reading teacher at each of the four schools, a nurse at each center and a counselor also at each center, Mrs. Lahr explained.

The kindergarten phase of Project Lift-Off is geared primarily to aid the culturally disadvantaged child and is similar in scope to the successful Head Start summer program, the director explained. However, she said, unlike Head Start and other federally subsidized anti-poverty programs, Project Lift-Off programming is not restricted to only those children from low income families. Working as a team, nurses and counselors at the four centers contribute specialized and important services to the entire Lift-Off project, Mrs. Lahr related. She explained the two professionals visit parents of prospective Lift-Off enrollees at home, describing advantages to children from such a program.

encines in these areas are referred to appropriate agencies for advice and treatment, the director said. A key aspect of the counseling program is the follow-up procedure used to help children who may be experiencing difficulty in wide-ranging areas.

Through accurate teacher-counselor observations, many children who require assistance can receive proper attention at a much earlier age, thereby avoiding future academic frustration, failure and possible dropping out of school before high school graduation, Mrs. Lahr said.

Voluntary Attendance
At the present time, she commented, attendance at the four pre-kindergarten centers is averaging 88% of the total enrollment. This percentage rate is considered very good for the type of program where attendance is on a voluntary basis, she director added.

Size of remedial reading classes fluctuate, Mrs. Lahr explained. However, she said, groups in this phase of the program are limited to very few children at each instruction session in order to better aid the individual child through personal and concentrated attention.

Those connected with Project Lift-Off agree the program at Cameron Meredith, director of ready has demonstrated its worth, she commented, adding, "I personally believe that elementary level counselors available to students in each of the 18 Granite City grade schools would definitely augment and upgrade the services offered by our school."

Thirty attended Thursday's meeting, including one guest, Charles H. Hassel, recently-appointed YMCA youth director. Dr. Raymond Troyer, Optimist vice-president, was in charge of the business session.

Arrested in Madison On 2 Traffic Charges

Earl E. Todd, 36, of 2119 Grand avenue, was arrested by Madison police yesterday on charges of careless driving and leaving the scene of an accident in the 1300 block of State street.

Roger Coskey, 2066 Bryan avenue, reported he was driving north on State street about 2:15 a.m. yesterday when the driver of another car made a left turn in front of him, resulting in the collision.

The other car fled the scene, police reported, but was later only a block away. A part of the grill left at the scene matched the damage on the car. Police then arrested a left turn driver's license pending a hearing Feb. 1 in magistrate's court.

Hospital Fund Campaign Headquarters to Open

Fund campaign headquarters for St. Elizabeth Hospital's public subscription drive is to open this week at 1920 Edison avenue, in the Johnson Music store building, it was announced today by Sister Mary Thomas, hospital administrator.

Staffing the office will be Mr. and Mrs. Franklin Rich of Hanes Association Associates, Inc., New York, Mass., a professional fund-raising firm. The couple will aid the local director of the campaign, Frank E. Wheeler, also of the Hanes firm.

The hospital announced two weeks ago it was starting a drive for modernization and expansion of its facilities. The three-year program is to cost \$5,000,000, with construction expected to start this year on the initial phase which is being aided by a

federal grant of \$10,819 received last year.

An outline of the fund campaign is to be made this afternoon to the hospital's lay advisory board by Wheeler. The advisory board is meeting in a special session, and leaders for the campaign are to be named.

Plans are for a new wing to be erected on hospital property along Iowa street at a cost of \$5,000,000, with several floors of the new structure to be finished at a later date. When the new wing is completed, the 1931 annexed Madison avenue is to be razed. It has been termed outmoded and too expensive to modernize.

The new wing would include an eighth floor for operating rooms, recovery rooms and an intensive care unit, and additional facilities in the wing would include new emergency room facilities.

Roy A. Smith, 64, Dies; Retired GCS Bricklayer

Roy A. Smith, 64, of 2328 Washington avenue, a retired bricklayer foreman, died of cancer at 6:35 a.m. Friday at St. Elizabeth Hospital. He had been ill six months and was admitted at the hospital for the second time seven weeks ago.

Employed as a bricklayer foreman in the open hearth department at Granite City Steel Co. for the past 25 years, Smith retired two months ago due to ill health. He was a member of Sacred Heart Catholic Church and the Madison Chapter of Bricklayers' Union, AFL-CIO, Local 65.

Mr. Smith was born in Pittsburg, Tex., and had lived in the Granite City and St. Louis area since 1942. Surviving are his wife, Mrs. Shirley Smith; one son, George John Smith of Granite City; a brother, Clarence Smith of Houston, Tex.; and his mother-in-law, Mrs. E. F. Angle, Sr. of Granite City.

Funeral services were held earlier today. Arrangements are given in today's obituary column.

Daughter Born to Former Resident

Mr. and Mrs. John M. Gages of St. Ann, Mo., are announcing the birth of an eight-pound, three-ounce daughter Jan. 17. The baby has been named Susan Marie.

The mother, a former Granite Cityan, will be remembered as Dolores Melton, a daughter of Mr. and Mrs. Ezra N. Melton, 4121 Brockendene lane.

Two Autos Damaged

Cars driven by Mrs. Ethel A. Dooley, 114 Garesche Homes, Madison, and Robert A. Baker, 1022 State street, Madison, were damaged at 10:30 a.m. Friday at Fourth street and Madison avenue. Police reported the accident occurred as Baker moved from the right to the left lane of traffic in front of the Dooley car.

NEW LOW PRICED HEARING AMPLIFIER PERFECTED

Hearing is rapidly becoming the most neglected of the senses. Thousands of people having sub-normal hearing, live with mounting strain and tension because they cannot afford expensive aids.

An Engineer has perfected a PERSONAL AMPLIFIER which offers new hope to these people. Designed for those who can hear when sounds are louder and for those who can hear but do not always understand, this tiny compact unit can provide the help people need to live full active lives. Weighing only a third of an ounce, without wires or cords, this amazing electronic marvel hides behind the ear. Space-age techniques make it possible to offer the PERSONAL AMPLIFIER at a very small fraction of the cost of a hearing aid.

Smith Criticizes Venice Leaders for Underpass Delay

State Rep. Ralph Smith of Alton, new speaker of the Illinois House, blamed Venice political leaders for delays in construction of the Broadway railroad underpass while here Thursday night.

The Republican leader was critical of the Venice officials while making comments on state programs and legislation which will involve the Quad-City area during the current session of the General Assembly.

The state speaker was being honored by the Granite City Republican Women's Club at a reception in the YMCA auditorium where he spoke briefly. The club was the first in the state to present such honors to him.

Being a former Granite City resident Smith said he is more than acquainted with the road block at the Broadway rail crossing in Venice.

Says Initiative Lacking
"My impression is that the city has not taken the proper initiative in this project," he said, "it's not the fault of the railroad. They have little to say. They are controlled by the State Commerce Commission."

With a Democratic state administration he said it is difficult to understand why strong Democratic leadership like that in Venice should have any trouble in obtaining the cooperation of the railroad.

"I'd be happy to cooperate with this," he said.

(Venice city officials said earlier last week the delay is resulting from changes in construction proposed by railroads to the state highway department.)

Great River Road

The speaker said he hopes progress will be made in construction of the Great River Road through the Quad-City area this year.

He had his always been "extremely interested" in the continuation of the highway from Alton on down "since it was initiated by former Gov. Stratton."

"Realistically it is a hard thing to answer" he said. "The legis-

Mrs. Doyle Joins Husband in Germany

Mrs. Janet Doyle and infant daughter, Maureen Elizabeth, departed by plane last week for Dusseldorf, Germany, where they were to join her husband and Maureen's father, Pfc. Patrick M. Doyle, U. S. Army, who is stationed at the 8th Missile Base near Iserlohn, Germany. The Granite City serviceman has been assigned to duty in Europe since August. He had not seen his two-month-old daughter until Maureen and Mrs. Doyle arrived in Dusseldorf Friday. The family is expected to remain in Germany for the next 14 months. Pfc. Doyle entered the Army in March 1966. His wife is the former Miss Janet Dallas of Granite City.

Hanson Is New Officer in Steel Institute

Donald M. Hanson, vice-president of merchandising for Hubbell Metals, Inc., was elected secretary-treasurer of the Steel Service Center Institute, St. Louis, at a meeting last week at Algonquin Country Club.

Hanson is a veteran of 26 years in the metals industry with Hubbell and has served in various capacities prior to the executive position he now holds.

Vandals Damage Auto

Harry Craig, 2905 Madison avenue, reported to Madison police Thursday afternoon that vandals broke the antenna off his 1966 model car and broke a hole in the windshield. The vandalism occurred while Craig was attending a basketball game between 7 and 10 p.m.

Two-Auto Collision

A charge of failure to yield right-of-way was placed against a motorist involved in a two-car collision Friday afternoon at 20th and Adams streets. Nick Sniovic, 1707 Garfield avenue, who was going north, said his view of the intersection and control sign was obscured by traffic. The other car was being driven west by Charles Anderson, 2315 West 24th street.

Charged with Speeding

Brian Cavanaugh, 2409 Delmar avenue, was issued an arrest ticket Friday in the 2600 block of Iowa street on a speeding charge.

lature makes the appropriations but it is left to the executive branch to determine which projects to carry out. But I may be more persuasive in my new position."

Nameeki Road Delays

Smith took the state Democratic administration to task over expenditures of state highway funds when informed of a possible delay in the second phase of the Nameeki road improvement project.

"I have a great quarrel with the administration over this," he said. "They want to spend available state highway funds in the interstate program while primary and secondary highway systems are being ignored and permitted to deteriorate."

Smith predicted an increase in both state sales taxes and gasoline taxes, though he said he does not favor the hikes. He doesn't believe there is a chance to prevent the hikes because of the need for additional funds by the state.

Among other developments of interest here, Smith reported that the Southwest Port Authority at

Alton Firm Bids Low On SIU-SW Office Bldg.

Apparent low bidder for the general offices building at Southern Illinois University-Southwest campus is the R & R Construction Co. of Alton.

The SIU-SW architect's office at the new campus said Friday the bid was \$3,140,000 and that appropriations for the building amount to \$3 million. Awarding of the contract will not be made until it has been received by the board of trustees, meeting at the new campus Feb. 17.

The three-story structure, with strong horizontal lines provided by pink quartz aggregate overhangs above long areas of dark tinted glass, was designed by Gyo Ozaata of the architectural firm of Hellmuth, Obata, and Kassabaum, who said the building will be an attractive welcoming building for the campus.

The building will be built with the same materials as the other five structures on the new campus — plum colored brick, the precast aggregate panels, tinted glass and dark anodized aluminum.

Vandals Scratch, Pour Paint on Parked Cars

Vandals caused damage to two parked autos and a parked truck in scattered areas of Granite City on Friday.

Carol Frimel, St. Louis, said the paint on her 1965 auto was scratched while it was parked on the lot at Central school. Garland Thomas, 2111 Benton street, reported a rock was thrown through the rear window of his station wagon in the 2700 block of Denver street.

Robert Young, 2221 Dewey avenue, told police paint was thrown on his pickup truck in the 2200 block of Illinois avenue.

Backs Named to Committee

Robert E. Backs, secretary of State Loan & Savings Association, has been named a member of the accounting committee of the Illinois Savings & Loan League. The committee deals with accounting practices, taxation and regulations.

Speeding Ticket

A charge of speeding in the 1700 block of Madison avenue was placed against Barbara Guest of Venice Lee Wright Homes, who was issued an arrest ticket Friday night.

Officers Installed

Officers for 1967 were installed during the business meeting. They are Mrs. Joyce Glasgow, president; Mrs. Emma Arthur, first vice-president; Mrs. Edna Kohlbrecher, second vice-president; Mrs. Vernice Wortman, third vice-president; Mrs. Darlene Diehl, secretary; Mrs. Marybelle Kinder, financial secretary; and Mrs. Gladys Newman, treasurer.

Installing officer was Mrs. Celeste Stiehl of Belleville, wife of the district GOP committeeman. Mrs. Marlene Serin is the outgoing president. A reception to honor the new officers followed, with Mrs. Isabel Schmidt, sister of Speaker Smith, in charge of entertainment.

Whitehead Dinner Will be on Jan. 30

A dinner to honor Charles P. Whitehead, retired chairman of the board and former president of General Steel Industries, Inc., will be held Monday, Jan. 30 in the new cafeteria of Granite City high school. The dinner meeting will begin at 6:15 p.m. and will be attended by approximately 700 persons.

The affair will be given by the Granite City Trust & Savings Bank to honor Mr. Whitehead upon his retirement from the GSI board and for his long service to Quad-City civic, social and business activities. Mr. Whitehead served as president of General Steel Industries from 1946 until 1964 when he was made chairman. He retired from the chairmanship last April.

It was through Mr. Whitehead's efforts that the executive offices of the firm were returned to Granite City in 1948. He served in many area civic campaigns. He joined the steel firm in 1918. He lives in Clayton, Mo., and will continue as a member of the board.

Henry D. Karandjoff, chairman of the board of the bank, said invitations are being mailed to civic, business and professional representatives throughout the area.

Corporate Charters Given Three Firms

Charters for incorporation of the James Green Construction Co., and the James Green Development Co., at 401 East Chain of Rocks road, Mitchell, have been issued by the office of Secretary of State Paul Powell at Springfield.

Both corporations are authorized to issue 1000 shares of stock at \$100 par value, and both list James C. Green and Shirley Green as incorporators to engage in commercial and business construction under the one charter, and the handling of real estate under the other.

A charter also was issued in the name of The Ackerman Foundation, 1838 Delmar avenue, as a not-for-profit corporation to conduct scientific and civic activities. Incorporators are Dr. Elwood L. Ackerman, Evelyn O. Ackerman and Elynn-Mae Curtis.

Ward Redistricting Top Item Tonight For City Council

Top debate at tonight's 8 o'clock session of the Granite City council is expected to be the redistricting ordinance for the city's eight wards.

The redistricting has been under fire since maps showing proposed new ward boundaries were distributed to the council a month ago, and stalling tactics have since followed.

City Atty. Allen said last week it would be necessary to adopt the ordinance by this evening's meeting to be in time for the ward changes prior to the April 4 city election. Eight aldermen and a superintendent of streets are to be named.

Strongest opponent of the boundary changes is First Ward Alderman Charles W. Moerlein, whose term is expiring. He is supported by William Dallas, also of the First Ward, Samuel Whitmer and Edmund Bartosak of the Second Ward, Claude Green of the Fourth Ward and R. E. Robertson of the Seventh Ward.

Moerlein indicated last week that he had an amendment to offer, but the presentation was not made.

The council had a double session last week, meeting both Monday and Tuesday nights. However, only eight aldermen were present for Tuesday's adjourned meeting and no actions were taken.

The aldermen and mayor discussed the proposed multi-million dollar sewer and drainage program, to be financed in part with a \$1,500,000 federal grant, and indicated steps would be taken this week to employ an engineering firm for the project.

Council committee reports and several ordinances for changes in bus zones, a speed limit on Maple street and a no-parking zone in the 2200 block of Cleveland blvd. also are on the agenda along with a proposed amendment to the city's liquor control law.

Mayor Partney, city liquor commissioner, said minor changes are needed in the city liquor law to clarify the closing hours of 1 a.m. on weekdays and 2 a.m. on Sundays with regard to the time limits for patrons to leave

4 Special Use Permits Approved by County

Four requests for special use permits in the Quad-City area were approved by the Madison county board of supervisors last week upon the recommendation of the county zoning board of appeals. They were issued to:

Donald L. Bosley, owner, to reopen a coin laundry and operate a restaurant in an R-4 one-family residence district in Chouteau township.

Carl E. Waller and Timothea E. Waller, owners, for a mobile home in an R-3 one-family residence district in Nameoki township.

Marie C. Venditto, owner, for a mobile home in a B-2 highway business district in Chouteau township.

T. A. Barton for a mobile home in an R-4 one-family residence district in Chouteau township.

The board also approved the petition of Everett G. and Josephine Steele of Granite City to rezone a tract of land from agricultural to R-3 one-family residence district in Jarvis township.

The Lewis & Clark library system, purchaser, received approval for a special use permit to erect a building to house a library headquarters in Edwardsville township.

County Sales Taxes to Top \$200,000 for 1966

Latest records of the Illinois Department of Revenue disclose net unincorporated area sales tax revenue of \$18,055 in Madison county for December.

Total derived by the county from the half-cent-a-dollar levy is \$109,595 for the first ten months of 1966, or well ahead of the \$150,072 figure at the same point the previous year. A \$200,000-plus year seems likely, compared to the current high of \$107,715 recorded in 1965.

Gross figures for October was \$19,010 (\$18,975 occupational tax and \$35 leasing tax). The 4% administrative deduction amounted to \$752, and \$205 was withheld due to protests.

taverns. Also, the amendment is to set a 21-year age minimum for carry-out boys at drive-in liquor stores.

Point Sprayed Over Auto
Allyn Dion, 2319 Edison avenue, told police at 7:10 a.m. Friday that vandals broke the aerial off of his 1963 auto and sprayed paint over the car while it was parked in front of his home during the night.

Woman Loses Wallet
Regina Conway, 2531 State street, reported at 4:30 p.m. Thursday that she lost her beige wallet containing about \$40, her driver's license and papers at the Southern Illinois University-Southwestern campus.
